

Proclamation

Records and Information Management Month April 2012

Whereas International Records and Information Management Month will take place in the month of April 2012; and

The management of records and information is critical to every business, organization and government agency in facing the complexities of competition, customer service and globalization.

Technologies for storing information are expanding the amounts of information that can be acquired, with increased longevity.

The need to use information to create value and plan strategically is a driving force in today's world. Control of records and information is necessary for reduction of risk and liability as well as for legislative compliance. The citizens of Halifax Regional Municipality should recognize the important service performed by records and information professionals.

THEREFORE, BE IT RESOLVED THAT, I, Mayor Peter Kelly, on behalf of members of Halifax Regional Council do hereby proclaim the month of April as Records and Information Management Month in the Halifax Regional Municipality and urge all residents, workers and employers to lend their support.

Peter Kelly
Mayor
