Date of Council Meeting: April 24, 2012

Subject: Land Purchase for Public Access

Motion for Council to Consider:

That Regional Council authorize staff to investigate and evaluate the appropriateness of the public value of a candidate portion of lands, its related sale price; and bring back at first opportunity with a recommendation on its possible acquisition.

Reason:

To gain public access to Governor's Lake for citizens of Beechville, Lakeside and Timberlea.

The opportunity: certain lands lying on the St. Margaret's Bay Road, Timberlea.

I advise that time may soon be of the essence.

Outcome Sought:

A staff report to gather all relevant information.
