

Dear Mayor Kelly and members of Regional Council,

As the principal of Crichton Park Elementary School in Dartmouth, I am in the process of planning several events to celebrate our Canadian Forces. Many of our students have parents, grandparents or other family members who have served or are currently serving. We would like to honour these men and women. I have arranged a performance by the Stadacona Band on Monday, May 14 and have contacted the Royal Canadian Air Force to request a Sea King landing on Tuesday, May 15.

As per the email I received from Captain Bruce Ehmann, I am requesting permission from Regional Council for a helicopter landing on the soccer field behind Crichton Park School. The date requested is Tuesday, May 15. Although I have not been given a specific time, I would expect it would be an afternoon event. Below, I have copied the email I received from Captain Ehmann regarding the request I submitted with the Royal Canadian Air Force.

I believe this would be a wonderful opportunity for our students to connect with members of our Canadian Forces. I thank the Regional Council for your consideration.

Respectfully,  
Cheryl Highmore
