

Proclamation

Cystic Fibrosis Canada Awareness Month May 2012

Whereas Cystic Fibrosis Canada is a Canada-wide, health charity, with more than 50 volunteer chapters, whose mission is to raise monies to fund cystic fibrosis (CF) research and care.

Cystic Fibrosis Canada is a world leader in the fight against CF. The gene responsible for CF was identified in 1989 by a Canadian-led team of researchers supported by the organization. Canadian investigators continue to play a leading role in the worldwide race to find a cure or control for the disease.

The Scotia Chapter is deeply grateful for the generous support and help from countless donors and volunteers.

Join the fight against the most common, fatal, inherited disease affecting young Canadians at the Eighth Annual Great Strides walk on Sunday, May 27, 2012 at Dartmouth Crossing and Shubie Park starting at 11:00am.

THEREFORE BE IT RESOLVED THAT, I, Mayor Peter Kelly, on behalf of Halifax Regional Council, do hereby proclaim May 2012 as “Cystic Fibrosis Canada Awareness Month” and encourage all residents to support the fight against the devastating disease by participating in the Great Strides walk.

Peter Kelly
Mayor
