### **National Public Works Week May 20-26, 2012**

WHEREAS Public Works services provided in our community are an integral part of our citizens' everyday lives.

The support of an understanding and informed citizenry is vital to the efficient operation of public works systems and programs such as water, sewers, streets and highways, public buildings, parks and playgrounds and sports fields.

The health, safety, and comfort of this community greatly depends on these facilities and services.

The quality and effectiveness of these facilities, as well as their planning, design and construction is virtually dependent upon the efforts and skills of public works officials.

The efficiency of the qualified and dedicated personnel who staff public works departments is materially influenced by the people's attitude and understanding of the importance of the work they perform.

THEREFORE BE IT RESOLVED THAT, I, Mayor Peter Kelly on behalf of Halifax Regional Council, do hereby proclaim the week of May 20-26, 2012 as National Public Works Week in the Halifax Regional Municipality, and I call upon all citizens and civic organizations to acquaint themselves with the issues involved in providing our public works and to recognize the contributions which public works officials make every day to our health, safety, comfort and quality of life.

Peter Kelly  
Mayor
