**SUBJECT:** Removal of No Parking and Loading Zone – Dutch Village Road

---

**INFORMATION REPORT**

**ORIGIN**

A petition with ten signatures for the removal of no parking and loading zone signs on the corner of Dutch Village Road and Deal Street was submitted by Councillor Walker as item 10.2.1 at the March 20, 2012 meeting of Halifax Regional Council.

**BACKGROUND**

There is one short loading zone on the south side of Dutch Village Road in this section.

## **DISCUSSION**

The HRM typically installs loading zones to provide a location for businesses to receive deliveries. If the nearby businesses do not require the loading zone and there is otherwise no other reason it should remain in place, Traffic Services support this change. A work order has been prepared for this removal of the loading zone.

## **BUDGET IMPLICATIONS**

There are no budget implications.

## **FINANCIAL MANAGEMENT POLICIES/BUSINESS PLAN**

This report complies with the Municipality's Multi-Year Financial Strategy, the approved Operating, Project and Reserve budgets, policies and procedures regarding withdrawals from the utilization of Project and Operating reserves, as well as any relevant legislation.

## **COMMUNITY ENGAGEMENT**

Community engagement was not deemed to be necessary in this process because decisions were based on operational procedures.
