### Clean Across Nova Scotia

June 8 & 9, 2012

WHEREAS Clean Across Nova Scotia is facilitating the biggest volunteer-driven cleanup action in Nova Scotia history.

A goal of 25,000 participants has been set for this act of community pride and stewardship. This action is also part of the global “Let’s do it! World Cleanup 2012” movement, which aims to engage approximately five per cent of the Earth’s population (300 million people) through community-led cleanups in their respective countries by September 2012.

Nova Scotia holds the singular privilege of being the first Canadian province to represent Canada in this movement.

THEREFORE BE IT RESOLVED THAT, I, Mayor Peter Kelly, on behalf of Halifax Regional Council invite all citizens to join this initiative as it benefits them, and help promote the ideals of community, stewardship and action through participation.
