### **Ride to Work Day June 18, 2012**

WHEREAS scooters and motorcycles use comparatively less fuel, cause less pollution and have less harmful impact on our infrastructure.

Scooters and motorcycles require only a fraction of space taken by other vehicles to park.

The price of fossil fuels is growing and supply is diminishing and the use of fossil fuels continues to damage our health by adding to pollution and risking our future through global warming.

THEREFORE BE IT RESOLVED that, I, Mayor Peter Kelly on behalf of Halifax Regional Council do hereby proclaim June 18, 2012 as "Ride to Work Day" to highlight the positive daily use of scooters and motorcycles in the Halifax Regional Municipality.

Peter Kelly  
Mayor
