Subject: RE: Fly-by

HALIFAX REGIONAL
MUNICIPALITY
JUN 21 2012
S.G.
MUNICIPAL CLERK

The Central Nova Golf Tournament takes place at the Oakfield Golf and Country Club on September 6, 2012. Funds raised go to the Home Builders' Care Fund which to date has built two Habitat for Humanity homes, provided new kitchens for the Wee Care Development center and Adsum House, provided Halifax Search and Rescue with a new three bay garage, provided building material to the Boys and Girls club of North Dartmouth and this year provided a major renovation to a family in need in Carroll's Corner. At the event, we also take time to honor our Military who have served in Afghanistan by inviting a team of those who served in Afghanistan to play as NSHBA guests. Thus the request for a fly-by of a Sea King helicopter at 12:45 pm. Thanks Paul Pettipas, CEO, NSHBA
