**Date of Council Meeting: September 11, 2012**

**Subject: Boscobel Development – Interpretation of the Regional Plan**

**Motion for Council to Consider:** That Halifax Regional Council support the request for a staff report to clarify the interpretation of the Regional Plan as it relates to as-of-right developments in HRM.

**Reason:**

Numerous residents have expressed concerns that the Boscobel Development is not an as-of-right development and does not meet the intention of the wording of the Regional Plan.

A staff report is required to clarify the interpretation of the Regional Plan as it relates to as-of-right developments in HRM.

**Outcome Sought:** Staff report clarifying the intention of the Regional Plan as it relates to as-of-right developments in HRM.
