Item No. 13.1
Halifax Regional Council
January 10, 2012

TO:

Mayor Kelly and Members of Halifax Regional Council

**Original Signed** 

SUBMITTED BY:

Councillor Sue Uteck, Chair, Special Events Advisory Committee

DATE:

January 4, 2012

SUBJECT:

Non-Annual Events Grant Program – Second Intake

#### **ORIGIN**

Staff report dated October 6, 2011; the November 9, 2011 and January 4, 2012 Special Events Advisory Committee meetings.

Special Events Advisory Committee Report to Regional Council dated November 15, 2011.

#### **RECOMMENDATION**

It is recommended that Halifax Regional Council approve an increase to operating cost centre C772 in the amount of \$43,500 with funding as a 2011/12 withdrawal from the Marketing Levy Special Events Reserve, Q315 to fund a grant award to the National Basketball League of Canada All Star Weekend.

#### **BACKGROUND**

As per the attached October 6, 2011 staff report.

#### **DISCUSSION**

The Special Events Advisory Committee reviewed the October 6, 2011 staff report at their November 9, 2011 and January 4, 2012 meetings.

#### National Basketball League of Canada All Star Weekend

At the November 9<sup>th</sup> meeting, the Committee heard a presentation from the National Basketball League of Canada All Star Weekend applicants. The Committee had the opportunity to ask questions of clarification to the presenters in attendance. Based on the staff report, presentation by the event organizers and response to questions asked by the Special Events Advisory Committee, discussion ensued with the Committee requesting further information/clarification on the event and event budget, and; that the Applicants return to the December 2011 meeting of the Special Events Advisory Committee to respond to questions of clarification. The November 15, 2011 Committee report to Regional Council included an amendment to the staff report to remove the proposed grant award recommendation of \$37,500 and defer the decision. (Attachment 2). Due to a lack of quorum, the December 2011Special Events Advisory Committee meeting was cancelled.

The Chair of the Special Events Advisory Committee called a meeting of the Committee for January 4, 2012 to finalize discussion on this matter. The decision of the Special Events Advisory Committee of January 4, 2012 was to recommend an award of \$43,500 to the National Basketball League of Canada All Star Weekend based on a revised score sheet as follows:

- a) National/International category reduced to a National Event for a score of 10/15 from an International Event with a score of 15/15.
- b) Free or Low Costs Gated vs. Non Gated category increased to 10/15 for a Combination Event from a Low Cost Event with a score of 5/15.
- c) Other Factors category increased to 3/6 due to an error in the staff report; the event warrants both the first and fourth categories with a 1.5 score for each for a total of 3/6 not 1.5/6 as noted in the staff report.

The revised score is 51.5/100 (52/100) which equals 29% of the \$150,000 requested for a recommended award of \$43,500.

#### 2013 Continental Cup of Curling

Staff advised the Special Events Advisory Committee on January 4, 2012 that the 2013 Continental Cup of Curling applicants had withdrawn their application. There is no further action required on this matter.

#### **BUDGET IMPLICATIONS**

The proposed grant award of \$43,500 for the National Basketball League of Canada 2011/2012 event can be accommodated within the 2011/12 reserve budget. As per the proposed

recommendation of the Special Events Advisory Committee, the reserve budget is as follows:

#### Budget Summary Q315 Marketing Levy Special Events Reserve:

Projected Reserve Balance March 31, 2012 \$492,519 Less: National Basketball League of Canada (\$43,500) Projected Balance March 31, 2012 \$449,019

#### FINANCIAL MANAGEMENT POLICIES/BUSINESS PLAN

This report complies with the Municipality's Multi-Year Financial Strategy, the approved Project budget, policies and procedures regarding withdrawals from the utilization of Project and Operating reserves, as well as any relevant legislation. Approval of the recommendation will increase the 2011/12 Gross operating budget, but not the net budget and will increase withdrawals from the reserve.

#### **COMMUNITY ENGAGEMENT**

The Special Events Advisory Committee is comprised of four members at large, four representatives of organizations as follows: the Greater Halifax Partnership, Destination Halifax, Hotel Association of Nova Scotia and the Chamber of Commerce., and four elected officials. The Special Event Advisory Committee meetings are open to the public.

#### **ALTERNATIVES**

- 1. Halifax Regional Council may choose not to approve the recommendation as outlined. This is not the recommended option.
- 2. Halifax Regional Council may choose to amend the proposed grant award pending budget capacity. This is not the recommended option.

#### **ATTACHMENTS**

- 1. November 6, 2011 Special Event Advisory Committee report to Regional Council
- 2. Staff report dated October 6, 2011.

  <u>Please note</u> that Attachment 3 of the October 6, 2011 staff report has not been included with this report as Council has requested that the reports include the event score sheets only. Attachment 3 is available for review in the Municipal Clerk's Office.
- 3. Revised Event Score Sheet National Basketball League of Canada All Star Weekend.

A copy of this report can be obtained online at http://www.halifax.ca/council/agendasc/cagenda.html then choose the appropriate meeting date, or by contacting the Office of the Municipal Clerk at 490-4210, or Fax 490-4208.

SUBJECT:

Non-Annual Events Grant Program - Second Intake

#### **ORIGIN**

Staff report dated October 6, 2011 and the November 9, 2011 Special Events Advisory Committee meeting.

#### RECOMMENDATION

It is recommended that Halifax Regional Council:

1. Approve an increase to operating cost center C772 in the amount of \$131,500 with funding as a 2011/12 withdrawal from the Marketing Levy Special Events Reserve (MLSER) – Q315: for five (5) grant awards from the 2011/12 Non-Annual Events (second intake) as identified in Table 1, page 7 of the October 6, 2011 staff report with the following amendments:

#### Sporting Events:

- (i) Defer the National Basketball League of Canada All Star Weekend (11/12) pending further discussion by the Special Events Advisory Committee
- (ii) CIS Final 8 recommended award of \$50,000; an increase of \$4,250 from the recommended amount of \$45,750
- (iii) Canadian Sailing (CYA) Championships in the amount of \$2.000 as recommended pending confirmation of the event attendance and financial information to confirm that the funding is still required for events that have already occurred and;
- (iv) the addition of the Telus World Skin event with a recommended grant award of \$75,000 contingent upon (Glen Arbour) a) securing the event, b) securing provincial funding of \$125,000, c) discussion and agreement in regard to HRM obtaining an appropriate share of sponsorship advertising associated with the event.

RECOMMENDATIONS CONTINUED ON PAGE 2

#### RECOMMENDATIONS CONT'D

#### Tourism Events:

- (i) International Bazaar in the amount of \$4,500 pending confirmation of the event attendance and financial information to confirm that the funding is still required for events that have already occurred.
- 2. Approve, in principle, four (4) grant awards for a total of \$524,500 from the 2011/12 Non-Annual Events (second intake) for 2012/13 events as identified in Table 1, page 7 of the October 6, 2011 staff report and as amended by the Special Events Advisory Committee, to be funded from the MLSER Q315 as follows: Sporting Events:
  - (i) Aileen Meagher International Track Classic recommended award of \$14,500; a decrease of \$5,000 from \$19,500.

#### Tourism Events:

- (i) Tall Ships Nova Scotia 2012 in the amount of \$500,000; a decrease of \$67,000 from the proposed \$567,000, and;
- (ii) Removal of the Clipper Round the World Yacht Race as the applicant has withdrawn their application.

#### Major Civic Celebrations:

- (i) Artist for a Day NSCAD 125 in the amount of \$10,000; an increase of \$250 from the recommended amount of \$9,750.
- 3. Defer consideration of the <u>2013 Continental Cup of Curling</u> application until further information is provided.

#### **BACKGROUND**

As per the staff report dated October 6, 2011.

#### **DISCUSSION**

The Special Events Advisory Committee reviewed the October 6, 2011 staff report at their November 9, 2011 meeting. At the November 9<sup>th</sup> meeting, the Committee heard presentations from the following groups: National Basketball League of Canada All Star Weekend; 2012 CIS Final 8; Aileen Meagher International Track Classic; Tall Ships Nova Scotia 2012; Artist for a Day – NSCAD 125<sup>th</sup> Anniversary; and the Telus World Skin. The Committee had the opportunity to ask questions of clarification to the presenters in attendance. Based on the staff report, presentation by the event organizers and response to questions asked by the Special Events Advisory Committee, discussion ensued with the following amendments to the grant awards being proposed:

#### National Basketball League of Canada All Star Weekend

Motion passed to defer this matter to the December 14th meeting of the Special Events Advisory Committee pending budget review and additional information from the Event Organizers in regard to the budget.

#### CIS Final 8

Motion passed recommending Regional Council award \$50,000 to the CIS Final 8 event.

#### Aileen Meagher Track Classic

Motion passed recommending Regional Council award \$14,500 (decreased from recommended \$19,500) based on a revised request amount from the applicant and revised score sheet as follows: staff advised of their error in the Free or Low Costs Gated vs Non Gated category which should be 10/15 not 15/15 as the event is combined gated/non gated. Total score is now 52/100 down from 57/100.

#### Canadian Sailing (CYA) Championships

This event has already taken place. The recommendation is to award a grant in the amount of \$2.000, as recommended, pending confirmation of the event attendance and financial information to confirm that the funding is still required for events that have already occurred.

#### Tall Ships Nova Scotia 2012

Motion passed recommending Regional Council award \$500,000 to the Tall Ships Nova Scotia 2012 event.

#### Clipper Round the World Yacht Race

This group has withdrawn their application.

#### International Bazaar

This event has already taken place. The recommendation is to award a grant in the amount of \$4.500, as recommended, pending confirmation of the event attendance and financial information to confirm that the funding is still required for events that have already occurred

#### Artist for a Day - NSCAD 125

Motion passed recommending Regional Council award \$10,000 (increased by \$250 from the recommended amount of \$9,750) based on a revised score sheet as follows: the Significant Community Celebration category be increased to 20/25 from 15/25; the % Non Resident Participants/Spectators category be decreased to 2/8 from 4/8 as the event is expected to draw less than 25%; the Financial Support category be increased to 6/6 from 4.5/6 as Federal support has been confirmed.

#### Telus World Skins

This item was an added item at the November 9, 2011 Special Events Advisory Committee. See Attachment 2 for the Event Score Sheet. A presentation was given and an opportunity provided to the Committee members to ask questions of clarification of the presenter. Following discussion on the matter, and the understanding that the event would be a major sporting event opportunity for HRM, a motion was passed recommending Regional Council award \$75,000 contingent upon (Glen Arbour) securing the event; securing provincial funding of \$125,000; discussion and agreement in regard to HRM obtaining an appropriate share of sponsorship advertising associated with the event.

#### **BUDGET IMPLICATIONS**

The proposed grant awards of \$131,500 for the 2011/12 events can be accommodated within the 2011/12 reserve budget. Due to the timing of the first intake of the 2012/13 Non-Annual Events granting program, award approval for 2012/13 events is being sought at this time. All recommendations, however, are subject to approval of the 2012/13 budget and availability of reserve funds. Assuming the reserve contribution from the marketing levy is consistent with the 2011/12 budget amount of \$1.267M, there would be sufficient funds in 2012/13 to accommodate the proposed grant awards for 2012/13. As per the proposed revisions recommended by the Special Events Advisory Committee, the revised reserve budget is as follows:

#### Budget Summary Q315 Reserve:

Projected Reserve Balance March 31, 2012	\$467,881
Less: Proposed 11/12 Second Intake (11/12 events)	(\$131,500)
Projected Balance March 31, 2012	<b>\$336,381</b>
Projected Balance March 31, 2012 Plus: Marketing Levy projected revenue for 12/13 Less: Proposed 11/12 Second Intake (12/13 events) Projected Reserve Balance March 31, 2013	\$ 336,381 \$1,267,000 (\$524,500) <u>\$1,078,881</u>

#### FINANCIAL MANAGEMENT POLICIES/BUSINESS PLAN

This report complies with the Municipality's Multi-Year Financial Strategy, the approved Project budget, policies and procedures regarding withdrawals from the utilization of Project and Operating reserves, as well as any relevant legislation. Approval of the first recommendation will increase the 2011/12 Gross operating budget, but not the net budget and will increase withdrawals from the reserve.

#### **COMMUNITY ENGAGEMENT**

The Special Events Advisory Committee is comprised of four members at large and four representatives of organizations such as the Greater Halifax Partnership, Destination Halifax, Hotel Association of Nova Scotia and the Chamber of Commerce. The Committee is also comprised of four elected officials. The Special Event Advisory Committee meetings are open to the public.

#### **ALTERNATIVES**

- 1. Halifax Regional Council may choose not to approve the recommendations as outlined. This is not the recommended option.
- 2. Halifax Regional Council may choose to amend the proposed grant awards pending budget capacity. This is not the recommended option.

#### **ATTACHMENTS**

- 1. Staff report dated October 6, 2011.

  Please note that Attachment 3 of the October 6, 2011 staff report has not been included with this report as Council has requested that the reports include the event score sheets only. Attachment 3 is available for review in the Municipal Clerk's Office.
- 2. Telus World Skin Event Score Sheet

A copy of this report can be obtained online at http://www.halifax.ca/council/agendasc/cagenda.html then choose the appropriat
meeting date, or by contacting the Office of the Municipal Clerk at 490-4210, or Fax 490-4208.

## Item No. Special Events Advisory Committee November 9, 2011

TO:

Special Events Advisory Committee

SUBMITTED BY:

Original Signed

Brad Anguish, Director, Community & Recreation Services

DATE:

October 6, 2011

SUBJECT:

Non-Annual Events Grant Program - Second Intake

#### ORIGIN

HRM's biannual Civic Event Granting Program solicited several grant applications during Phase Two (June – September) of the process which require the consideration of the Special Events Advisory Committee before recommendations are tabled with Regional Council.

#### RECOMMENDATION

It is recommended that the Special Events Advisory Committee recommend that Halifax Regional Council:

- Approve an increase to operating cost centre C772 in the amount of \$89,750 with funding as a 2011/12 withdrawal from the Marketing Levy Special Events Reserve (MLSER) Q315 for four (4) grant awards from the 2011/12 Non-Annual Events (second intake) as identified in Table 1;
- 2. Approve, in principle, four (4) grant awards for a total of \$690,750 from the 2011/12 Non-Annual Events (second intake) for 2012/13 events as identified in Table 1, to be funded from the MLSER -Q315 in 2012/13;
- 3. Require confirmation of the event attendance and financial information to confirm that the funding is still required for events that have already occurred (International Bazaar and Canadian Sailing Championships); and
- 4. Defer consideration of the <u>2013 Continental Cup of Curling</u> application until further information is provided.

#### EXECUTIVE SUMMARY

This report outlines the recommended awards of the Non-Annual Events (second intake) for the 2011/2012 MLSER (Q315) grant program. Through the MLSER, HRM provides financial support to non-annual events and event infrastructure programs. Total funding availability of approximately \$1.2 million is anticipated for 2011/2012. An overview and evaluation of each application is provided within the report. Among the 9 applications, staff is recommending support for 8 events, with 1 event requiring further information. This is the second report of two from the second intake; the previous proposing the Festival & Events grant allocations.

#### BACKGROUND

The Special Events Advisory Committee (SEAC) governs four streams of HRM event granting services including: 1) Hallmark Events; 2) Non-Annual Major Events; 3) Summer Festivals; and 4) Festivals and Events. This is the second in a series of two committee reports of the second intake; the first report addressed the festivals and events. This report addresses applications for non-annual events funded by the MLSER (Q315).

The MLSER is an operating reserve funded through the hotel tax levy. HRM receives 40% of the total revenue generated from the hotel tax levy which equates to approximately \$1 million annually.

An overview of the Civic Event Grant Process can be found as Attachment 1.

#### DISCUSSION

This report provides recommendations to SEAC respecting the Non-Annual Major Events 2011/12 grant applications to be funded through the MLSER. All applications received for this intake can be found in Attachment 3.

#### A. Applicant Eligibility and Qualification:

To be eligible for event funding under the MLSER, applicants must be non-profit, non-annual, and the proposed event needs to fall within one or more of the event program and categories outlined in the background. Upon determining eligibility, each event is assessed to determine which, if any, funding grant program they may qualify for. Additionally, events must score a minimum of 50 points out of 100 in order to qualify for funding.

As part of the review process, SEAC and Council may also consider matters beyond the direct policy framework, such as delinquent or outstanding monies owed to HRM, event quality and image, event organizer's capacity and experience, and event organizer's governance structure. SEAC and Council may also consider matters related to other municipal supports - either from another grant program, or capital investment in infrastructure required to support the event.

#### B. Non-Qualified Events

Based on the above noted, staff may identify events following the review of all applications that may not qualify for grant support. There were no events in the second phase application process that fall within this category.

#### C. Applications Requiring Further Information

Periodically, an application is unclear and/or may require additional information to ensure staff can effectively evaluate the proposal. The following event falls within this category for the reasons outlined:

### 1. The 2013 Continental Cup of Curling

This event is proposed for January 2013 in the Dartmouth Sportsplex, Dartmouth. The funding requested is \$200,000. It proposes a 4 day event with 11 draws featuring six men and women teams from Europe and Asia against six men and women teams from North America. The applicant has requested that the application be deferred until the hosting committee can confirm that the event is coming to HRM.

#### D. Qualified Events

Table 1 summarizes the various events that staff recommends qualify for funding. A detailed description of each event is outlined in the following discussion and an evaluation sheet for each is provided as Attachment 2. Please note that in some instances, the requested amount exceeds the recommended caps for stated events. However, SEAC may consider recommending grant awards beyond the cap amounts as per past practice.

#### Major Sport Events

The following Sporting Event applications have been received on or before the August 26, 2011 deadline. Any applications received subsequent to this date will be processed during the next intake.

#### 1. National Basketball League of Canada All Star Weekend

Requesting: \$150,000

Recommendation: \$37,500

This event is proposed for March 2012 at the Halifax Metro Centre, Halifax. Expected attendance is stated to be upwards of 4,000 people with another 6,000 people watching online. The event will include a three point shoot-out competition, a slam dunk contest, a legends game and an All-Star game. Proposed ticket prices are \$20 for a day pass and \$30 for the weekend pass. The applicant has previously received a grant of \$50,000 in 2010 and \$25,000 in 2009.

Based on information contained within the application, staff have evaluated the National Basketball League of Canada All Star Weekend and identified a score of 50 points out of 100 on the MLSER Scoring Sheet. Strengths of this application include contributing to HRM's basketball hosting reputation, and that the event will take place in the off season period. Staff has also identified some areas of concern regarding the All Star Weekend event. As the event is currently proposed, it is not clear if the event qualifies as a national

or international caliber and there are possible concerns with the return on investment for the amount requested.

#### 2. CIS Final 8

Requesting: \$80,000

Recommendation: \$45,750

This event is proposed for March 9-15, 2012 at the Halifax Metro Centre, Halifax. The expected attendance at the event for 2012 is 30,000 people and an estimated 80 volunteers will be involved. The CIS Final 8 is a National men's basketball championship for Canadian Interuniversity Sports. The average ticket price is \$16.60. This event has previously received a grant of \$40,000 from HRM in each of 2010 and 2011, therefore staff's recommendation increases HRM's total accumulated contribution to this event to \$125,750. This grant exceeds the National Sport cap of \$50,000 as defined in Attachment 1.

Based on information contained within the application, staff have evaluated the CIS Final 8 and identified a score of 66 points out of 100 on the MLSER Scoring Sheeting. Strengths of this application include contributing to HRM's basketball hosting reputation, that the event will take place in the off season period, and the event has a proven track record of success in Halifax.

#### 3. Aileen Meagher International Track Classic

Requesting: \$50,000

Recommendation: \$19,500

This event is proposed for July 8, 2012, at Saint Mary's University, Halifax. Approximately 60 volunteers, 150 athletes and over 2,000 spectators will take part in the event in 2012. The Aileen Meagher is one of six events in the newly formed National Track League. Ticket prices are \$10 for general admission and \$5 for seniors and children. This event has previously received a grant of \$3,000 from HRM in 2010.

Based on information contained within the application, staff have evaluated the Aileen Meagher International Track Classic and identified a score of 57 points out of 100. Strengths of this application include contributing to HRM's reputation of international caliber sporting events, stable support from numerous partners and organizations, proven track record of success, and an appropriate level of economic impact.

#### Canadian Sailing Championships

Requesting: \$3,000

Recommendation: \$2,000

This event is proposed for August 27 – September 1, 2011 (Youth Championship) and September 27 – October 1, 2011 (Senior Championship), at St. Margaret's Bay, French Village. Approximately 200 support personnel and officials, 300 volunteers, 350 family members and 400 competitors will take part in the event. The National Championships select the Canadian Sailing team and, in addition to the races, there are training camps, opening and closing ceremonies, and non-athletic activities for visitors and support personnel. This event is free to the public to watch and is the first year for the event in

Halifax.

Based on information contained within the application, staff have evaluated the Canadian Sailing Championships and identified a score of 68 points out of 100. Strengths of this application include contributing to HRM's traditional identity, raising HRM's sailing profile globally, and that sailing is a strategic development area noted in the Event Strategy. The economic impact for this event is appropriate for the grant amount requested.

It should be noted that this event has already taken place. Therefore, staff recommend that SEAC approve the funding subject to the submission of confirmation of event attendance and financial information to confirm that the funding is still required.

#### Major Tourism Events

The following Tourism Event applications have been received on or before the August 26, 2011 deadline. Any applications received subsequent to this date will be processed during the next intake.

#### 1. Tall Ships Nova Scotia 2012

Requesting: \$700,000

Recommendation: \$567,000

This event is proposed for July 19 – 30, 2012, along the Halifax Waterfront (July 19 – 23) and other Nova Scotia outports (July 24 - 30). The expected attendance is over 600,000 people over the five day period. The event is aimed to celebrate the rich Maritime history and would have ships docked along the Halifax and Dartmouth waterfronts. Ships will be open to the public daily and will be family-friendly accessible during the day and entertainment in the evening. The event is free to the public, however, there will be a fee to board the ships. This event has received grants of \$540,000 in 2009 and \$300,000 in 2007 from HRM.

Based on information contained within the application, staff have evaluated the Tall Ships Nova Scotia event and identified a score of 78 points out of 100. Based on staff's scoring formula, the Tall Ships Nova Scotia event would qualify for \$567,000. guidelines do outline a funding cap of \$100,000, however due to the value of this event to the community; staff recommend that SEAC approve the full amount determined by the formula. The capping guidelines were created to help manage the reserve but provide SEAC with the option to consider grant awards beyond the cap amount where warranted.

Strengths of this application are that the event is a strategic area of the new Event Strategy, celebrates HRM's tradition and identity, and appears to have a high level of economic impact. The event is also expected to have a significant tourism draw and economic impact on HRM.

#### 2. Clipper Round the World Yacht Race

Requesting: \$150,000 Recommendation: \$94,500

This event is proposed for June 11-15, 2012, along the Halifax Waterfront, Halifax. It is expected that there will be over 50,000 spectators, crews and media taking part over the four day period. The event will include 10 Clipper ships berthed alongside the Halifax waterfront with 3 receptions for visiting crews and VIPS, viewing of the ships, interacting with the crew, and TBD programming on the waterfront. The viewing of the ships is free to the public. This event has previously received a grant of \$25,000 from HRM in 2007/08.

Based on information contained within the application, staff have evaluated the Clipper Round the World Yacht Race and identified a score of 69 points out of 100 on the MLSER Scoring Sheet. Strengths of this event are that the event is a strategic area of the new Event Strategy, and celebrates local traditions and identity. The event also offers HRM a high level of international exposure by hosting this event.

#### 3. International Bazaar

Requesting: \$10,000

Recommendation: \$4,500

This event is proposed for September 22 – 25, 2011, at Sackville Landing, Halifax Waterfront. It is estimated that over 10,000 people will visit this event. The event will celebrate the United Nation's International year for people of African Descent by showcasing a vibrant bazaar. The bazaar will allow cultural products and tourism services to be sold or displayed by African Nova Scotians, African Canadians and other African nationalities from around the world. This event is free to attend.

Based on information contained within the application, staff have evaluated the International Bazaar event and identified a score of 60 points out of 100 on the MLSER Scoring Sheet. Strengths of the application are that the event celebrates culture and diversity (a strategic area of the new Event Strategy). Weaknesses of the application are that the event appears to offer a low economic impact.

It should be noted that this event has already taken place. Therefore, staff recommend that SEAC approve the funding subject to the submission of confirmation of event attendance and financial information to confirm that the funding is still required.

#### Major Civic Celebrations

The following Major Civic Event applications have been received by the August 26, 2011 deadline. Any applications received subsequent to this date will be processed during the next intake date.

### 1. Artist for a day – NSCAD (125th Anniversary)

Requesting: \$25,000

Recommendation: \$9,750

This event is proposed for from May 12, 2012, along the Halifax Waterfront, Halifax. The estimated attendance of this event is over 2,000 people and will celebrate NSCAD's 125<sup>th</sup> Anniversary. Wearable art artists and models will animate the space highlighting Halifax's burgeoning fashion industry, a steamroller workshop, plien-air painting, potter wheels, filmmaking and animation kiosks to provide hands on opportunities to explore a variety of disciplines. The event is free to the public and it is the first year of the event. Based on information contained within the application, staff have evaluated the Artist for a day event and identified a score of 57 points out of 100 on the MLSER Scoring Sheet. Strengths of this application are that it aligns with strategic area of the new Event Strategy (culture), falls within the shoulder season, and celebrates an important anniversary within HRM.

#### **BUDGET IMPLICATIONS**

The proposed grant awards of \$89,750 for the 2011/12 events listed in Table 1 above can be accommodated within the 2011/12 reserve budget. Due to the timing of the first intake of the 2012/13 Non-Annual Events granting program, award approval for 2012/13 events is being sought at this time. All recommendations, however, are subject to approval of the 2012/13 budget and availability of reserve funds. Assuming the reserve contribution from the marketing levy is consistent with the 2011/12 budget amount of \$1.267M, there would be sufficient funds in 2012/13 to accommodate the proposed grant awards included in Table 1. Projected contributions and withdrawals are as follows:

#### Budget Summary O315 Reserve:

Projected Reserve Balance March 31, 2012	\$467,409
Less: Proposed 11/12 Second Intake (11/12 events)	<u>(\$89,750)</u>
Projected balance March 31, 2012	<u>\$377,659</u>
Projected balance March 31, 2012	\$377,659
Plus: Marketing Levy projected revenue for 12/13	\$1,267,000
Less: Proposed 11/12 Second Intake (12/13 events)	<u>(\$690,750)</u>
Projected Reserve Balance March 31, 2013	<u>\$953,909</u>

#### FINANCIAL MANAGEMENT POLICIES/BUSINESS PLAN

This report complies with the Municipality's Multi-Year Financial Strategy, the approved Project budget, policies and procedures regarding withdrawals from the utilization of Project and Operating reserves, as well as any relevant legislation. Approval of the first recommendation will increase the 2011/12 Gross operating budget, but not the net budget and will increase withdrawals from the reserve.

#### COMMUNITY ENGAGEMENT

Community engagement for this process involves staff seeking the input of relevant and knowledgeable stakeholders through the Special Event Advisory Committee to advise on the proposed events. Event organizers are also invited to attend a SEAC meeting to present and to answer questions.

#### ALTERNATIVES

Alternative 1: SEAC could choose to approve the report with amendments to individual funding amounts, including reducing the funding amount for the Tall Ships and CIS Final 8 events that exceed the maximum cap amounts defined in the Civic Event Grant Process guidelines (Attachment 1).

Alternative 2: SEAC could choose to not approve the report. This is not recommended as these events provide important value to the community.

James Cooke, CGA, Director of Finance/CFO, 490-6308

#### Attachment 1: Civic Event Grant Process Overview

The following is an overview of the Civic Event Grant process:

#### a) The Civic Event Granting Framework and Policy

A civic event policy approved by Council in 2007 guides all decisions respecting the allocation of the MLSER. The following grant programs have been developed in support of the policy:

- Non-Annual Major Event Program: provides funding to tourism, culture, and heritage events that are typically national or international in caliber, and that occur on an infrequent basis (non-annual). HRM usually plays a leading and/or hosting role in such events.
- Event Infrastructure Program: A program designed to support existing and new event
  infrastructure including maintenance, upgrades, and development of an HRM owned and
  operated event infrastructure and sites. This program is valued up to \$40,000 annually,
  with the exception of years where a major infrastructure project is identified.

#### b) Event Categories

Within the approved policy, a range of events are supported through the MLSER funded programs including:

- Sporting Events: large, compelling, major market events with high expenditure potential.
   Such (sporting) events also have a high potential for national and international exposure and the ability to encourage multi-day visits. A grant program for local sporting events is not included.
- Tourism Events: large and compelling to a major market and with high expenditure potential. Such events also have a high potential for international exposure and the ability to encourage multi-day visits. To be considered a true tourism event, a material share of total participation must come from overnight tourists/visitors.
- Major Civic Celebrations: special and significant major civic events that mark important celebrations, memorials, commemorations, anniversaries, or significant functions.

#### c) Grant Application and Evaluation Process:

There are two intake processes for all HRM events granting programs, including the above noted MLSER funded programs. The first intake process begins the last Friday of October and closes the last Friday of January. The second intake process opens the last Friday in May and closes the last Friday of August. Grant applications are located on the HRM web page with accompanying instructions. Each intake process requires several steps until a final decision is made by Regional Council, as outlined below:

#### Step One: Grant Application Submission

Candidate applications are submitted. Upon receipt, staff forwards a letter confirming receipt of the application and an application reference number is provided.

#### Step Two: Applications Scoring and Presentations

Applications are reviewed to determine eligibility and whether the proposal qualifies for a specific grant program. Staff analyzes and scores each application accordingly. A list of grant sums is developed within the allocated budget based on a grant allocation formula and capping system shown in Table 1. Applicants requesting over \$20,000 in funding are contacted and required to make a presentation to the Special Events Advisory Committee.

Table 1: MLSER Granting Cap Amount Totals		
Event Category		Grant Cap Amount
Hallmark		
Hallmark		\$100,000
Spor	<b>t</b> :	
-	National	\$50,000
	Commercial	\$50,000
International		\$250,000
Tourism		
Professional Festival		\$50,000
Major		\$100,000
Majo	or Civic Celebrations	
Civic Celebration		\$25,000
Anniversary		\$25,000

#### Step Three: Special Events Advisory Committee Deliberations

Upon review of all applications, and hearing presentations, SEAC prepares and forwards its recommendations to Regional Council. A committee report is tabled for Council's consideration.

#### Step Four: Regional Council Decision

Upon review of the recommendations provided by the SEAC, Regional Council makes a final decision on the proposed grants. Successful and unsuccessful grant applicants are officially notified by letter of the grant amount awarded

### National Basketball League of Canada All Star Weekend Event Grant Application

FAIR Civic Even	t Grant Applica	ition Received
FOR OFFICE USE ONLY	Reference Number	AUS 2 8 2011
Received	*Prescreen Reviewed	
*Prescreen Approved ☐ Yes ☐ No By:	Grant Approved ☐ Yes ☐ No Sum:	

IMPORTANT: Please thoroughly read this page as our application process has recently changed.

### COMPLETION AND SUBMISSION OF A CIVIC EVENTS GRANT APPLICATION DOES NOT GUARANTEE FUNDING.

FUNDING IS NOT CONFIRMED UNTIL AFTER HALIFAX REGIONAL COUNCIL APPROVAL.

I, the applicant, understand the above disclaimer and that in no way does submission of this application guarantee my event funding.

		n	Aug 25,201
Applicant Sign	faturð		Date

This section must be signed and dated for applications to be processed.

2011 Grant Application Deadlines: 4:30pm January 28<sup>+++</sup> and August 26
<sup>++</sup>Summer Festival Grant Applications will ONLY be accepted for the January 29 deadline
Festivals and Events and Marketing Levy Special Events Reserve Grants will be accepted for both deadlines

HRM supports events that build community, foster good community relations, develop local economy and tourism industry, and enrich the quality of life of all residents and visitors. This application is for three of HRM Civic Event's Granting Streams, Festivals and Events Grant, Summer Festival Grant, and Marketing Levy Special Events Reserve.

Step 1	Read and sign the Completion and submission statement at the top of this page.
Step 2	Read the Grant Descriptions on page 2 to determine which grant stream you are applying for and what sections you are to complete.
Step 3	Complete all required sections of this application form for your grant stream, and the Checklist to confirm that you have completed all relevant sections of the form and have included all required support material.

<sup>\*</sup> All Civic Events Grant Applications are put through an internal prescreen process to determine potential eligibility under the Civic Events Policy and Granting Framework. Applicants unsuccessful in the prescreen process will be notified. Successful completion of the prescreen process does not guarantee funding.

<sup>\*</sup> Applicants will receive the results of their grant application approximatelyfive months after the application deadline.

### FIATURE Civic Event Grant Application

8.	Yes ( , Alo	Is this the first year for your event?  Not the first All-Star weekend for Halifax, but the first NBL Canada All-Star weekend.
9.	ls your event and This even is annua	nual, bi-annual or another reoccuring event? Please explain. If or the National Basketball League of Canada, but is not annual for the city of Halifax.
10.	What is the them A professional Car basketball in Cana	e of the event? adian sport and high quality entertainment event that will serve to celebrate the sport of da, and will inspire, encourage and celebrate Canadian basketball talent.
11.	The weekend ever which will include a Star game which w event will showcas weekend will also i	brief description of your event including activities.  Its will include a three point shoot-out competition, a slam dunk contest, a legends game and bring together key community members from HRM and other special guests, and an Allill showcase the top talent within the National Basketball League of Canadian; this particular a high-quality half-time entertainer (concert). In addition to the activities listed above, the include a special All-Star breakfast, as well as visits to HRM schools, free basketball clinics initiatives such as hospital visits.
12.	The Halifax Rainm for youth and have markets in Moncto committed to giving NBL Canada has g	he relationship between your event and the community. en players have become celebrities in Halifax. The players serve as a fantastic role models a strong relationship with the public. This example is mirrored in all of of the NBL Canada n, PEI, Saint John, Oshawa and London. The league and all of its teams are extremely g back, not only to their markets but to the nation as a whole. In less than four months, the lained a social media following of more than 4,000 fans, and have been directly contacted Canadian megastars such as Rick Fox, Steve Nash and George Strombolopolous.

### FIATIFIX Civic Event Grant Application

- 13. Please describe any cultural components associated with your event (heritage, performance, exhibit, etc.) The National Basketball League of Canada is the nation's first-ever domestic professional league. The NBL Canada provides young Canadian players the opportunity to play the game they love in the country they call home. This league marks a new era of basketball for the country it is a new opportunity for Canadians to reclaim the game we invented, and to be proud of our homegrown talent, while also inviting players and fans from around the world to recognize all things this great nation has to offer. In the league's inaugural broadcast draft event, more than 6,000 fans in 93 countries tuned in to watch the live birth of Canada's first domestic league. The NBL Canada has garnered national and international press overage in publications including the New York Times, SLAM Magazine, The Globe & Mail, Sportscentre, TSN and The National Post, to name a
- Please briefly list your event's key goals and outcomes.
  - To put Halifax on the map of being among the top event cities in the country
  - For Halifax to host Canada's first-ever All Star basketball weekend
  - To continue the success of the 2011 Canada Games by showing the world how our province supports Canadian sports
  - To recognize Halifax as the founding market of the NBL Canada. The city played a vital role in proving to investors, media, and fans that Canadians can and will support the game.
  - We intend on this event being showcased live either online or on television
- 15. Yes No Has your event previously received support from HRM?

  If so, how much and when?
- Approximately how many people are you expecting to participate in your event? Approximately 50 volunteers and 8 staff and our board of directors. We anticipate upwards of 4,000 people in attendance, with more than 6,000 engaged participants online.
- 17. Approximately how many people participated last year in your event (if applicable)?
  N/A

## Civic Event Grant Application

#### PART B.

FESTIVAL AND EVENTS GRANT applicants please skip to Part D. SUMMER FESTIVAL GRANT applicants complete this section. MARKETING LEVY SPECIAL EVENTS RESERVE applicants complete this section.

Please briefly describe the event marketing strategy.

The event will be marketed throughout the NBL Canada season in the league's seven markets; Halifax, Moncton, Saint John, Prince Edward Island, London and Oshawa, through live in-game mentions (18 home games via a 126 game schedule), radio broadcasts, television and internet broadcasts and social media activity.

The All-Star weekend will also be highly interative with fans throughout the world, ensuring that they are directly engaged leading up to and during the All-Star Weekend, with the City of Halifax continuously mentioned as Canada's basketball capital, and the home of Canada's first-ever All-Star weekend.

19. Will the event be marketing outside of HRM? Outside of NS? Outside of the Atlantic Provinces? Please describe.

Yes, the event will be heavily marketed in the six NBL Canada venues outside of HRM throughout the months of October to March (Moncton, Saint John, PEI, London, Oshawa, Quebec City), as well as through our head office in Toronto. The All-Star Weekend in Halifax will be showcased during each of the venue's 18 home games throughout the season. It will also be marketed through the team and league's websites, radio and television advertisements, as well as through the social media channels of all seven teams, as well as the league.

#### 20. How will the event be evaluated?

The event will be benchmarked against previous All-Star weekends from other minor leagues that the Halifax Rainmen have belonged to in 06 (ABA) and 10 (PBL). Also, the amount of tickets sold and sponsorship secured, press coverage, social media activity, website hits, and feedback from stackeholders, the public and sponsors will serve as fantastic measurable tools for the event. Additionally, the event will be evaluated by the surge in business activity for downtown Halifax local businesses throughout the weekend.

How will the event benefit HRM's tourism?
This event will showcase Halifax as a world class event and entertainment destination. Throughout the short existance of the NBL Canada, the league has recieved a copious amount of national and international media coverage and fan interest. During the league's 1.5 hour interenet broadcast of its inaugural event, more than 6,000 fans in 93 countries tuned in to watch the event. As Halifax is marked as the city where the NBL Canada was born, and the first city to prove that professional basketball could work in Canada, basketball fans around the globe will be interested in coming to the city that started it all. The international press coverage that has followed the NBL Canada will doubtably continue into the season, and will closely follow All Star Weekend and give Halifax the opportunity to shine as Canada's basketball capital.
