DISCUSSION

Operating Statement:

At the end of December 31, 2012, HRM had a projected net operating surplus of \$15m (Attachment #1).

The Business Units have a projected surplus of \$5.5m along with a projected surplus of \$9.5m in Fiscal Services.

The key projected changes from the Business Units' budgets are as follows:

- CAO Office is projecting a surplus of \$398k primarily due to compensation savings on vacant positions and various cost cutting measures.
- Fire & Emergency Services is projecting a deficit of \$175k primarily due to overtime and costs pertaining to Fire Services' realignment. This is partially offset by cost cutting measures to help mitigate the deficit.
- Finance & Information, Communications & Technology is projecting a surplus of \$1.1m primarily due to savings from vacant positions. These are offset by increased overtime due to migration to Microsoft Outlook, job classification review, and increased consulting fees related to the Spending Analysis and Strategic Procurement Plan; the Comprehensive Review of Halifax Metro Center Operations and additional resources required to support IT related projects.
- Human Resources is projecting a surplus of \$85k primarily due to vacancy savings.
- Legal Services is projecting a deficit of \$555k primarily due to new staff positions, compensation related costs and consulting costs as a result of implementation of recent operation review and increased costs due to ongoing litigation on some large cases.
- Transportation & Public Works is projecting a surplus of \$1.2m primarily in Roads and Streets due to work not being performed because of reduction in internal staff compliment and contractor base used to limit. In addition, a transfer of Operating Cost of Capital (OCC) from reserve to Sportsfields and Playgrounds and a decrease in contribution to reserve in Facilities Division contributes to this surplus.
- Metro Transit is projecting a surplus of \$785k which will be carried forward to 2013/14 resulting in revenue equalling expenses. In 2012/13, \$1m was budgeted to fund the 2011/12 deficit. The actual 2011/12 deficit was \$800k leaving a \$200k current year surplus. The actual tax revenues for 2012/13 are \$327k above the amount budgeted. Other savings include fuel prices that have been well below budgeted price (\$562k), compensation savings primarily due to vacancy savings and managing overtime (\$500k), savings in overall project costs as well as cancelled projects and some project delays

February 13, 2013

(\$762k), and miscellaneous other savings (\$334k). The surplus is offset by a significant decrease in fare revenue of \$1.9m essentially due to decreased ridership post-strike.

- Planning & Infrastructure is projecting a surplus of \$496k due primarily to not filling vacant positions (\$467k); recoveries of administrative costs related to Business Parks lot sales higher than budgeted (\$407k); savings primarily in External Services due to cessation of the Water Quality Monitoring Program (\$64k); and net savings from various areas throughout business unit (\$152k). This surplus is offset by reduced recovery of administrative costs for the sale of two surplus schools not expected to conclude in this year (\$594k).
- Community & Recreation Services is projecting a surplus of \$2.7m primarily due to an increase in permitting, parking ticket and Summary Offense Ticket revenues, compensation savings on vacant positions, a surplus from the BMO Centre operation and savings in non-compensation areas.
- Regional Police is projecting a surplus of \$9k primarily a result of an increase in various revenues and regular salary savings offset by increased overtime due to higher than expected rates of major crime.
- Outside Police Services (RCMP) is projecting a surplus of \$233k due to actual contract amount to be paid to the Provincial Department of Justice, being lower than budget.

In Fiscal Services, the net projected surplus of \$9.5m is the result of the following changes:

- Decrease in Property Tax revenue of \$121k due to the trend on tax appeals for commercial properties being higher than anticipated.
- Decrease in Tax Agreements of \$179k primarily due to tax agreements with various entities are anticipated to be lower than budget.
- Increase in Deed Transfer Tax of \$5.5m as a result of strong real estate market ending in the third quarter.
- Decrease in Payments in Lieu of Taxes (PILT) of \$146k is due to the actual approved tax rate of \$3.084 per \$100 of assessed value being lower than original proposed rate of \$3.317.
- Own Source Revenue surplus of \$4.5m includes: increased interest revenue from overdue accounts and Local Improvement Charges (\$150k); increased return on short term investments (\$950k); higher Dividend In Lieu of Tax from Halifax Water due to increase in rate base (\$271k); increased Parking Meter revenue (\$50k); higher than estimated volume of 911 calls being processed with 2.6% inflation adjustment for call answering fee revenues (\$176k); and unbudgeted revenue related to Sackville Sports Stadium being recorded in Fiscal Services (\$3.03m). This was partially offset by net decrease in other

revenues (\$80k).

- Unconditional Transfers are lower than budget due to HRM's proportion of the Nova Scotia Power HST Offset being \$17k lower than anticipated.
- Debt Charges primarily related to the interest payment for 2012 Spring Issue Debenture being \$251k lower than budget.
- Grants & Tax Concessions are lower than budget primarily due to property re-assessments; lower tax rates; and Non-Profit Organizations in receipt of tax exemptions not assessed for property taxes in this fiscal year (\$367k).
- Capital from Operating surplus of \$2m related to transfer from OCC Reserve Account to Fiscal Services as the OCC funds were no longer required.
- 2011/12 Operating General Rate Surplus is \$2.681m above budget. Budget estimated a surplus of \$4.9m and actual surplus was \$7.581m. Metro Transit's contribution to cover its 2011/12 deficit results in an additional surplus of \$800k in Fiscal Services. The total surplus is \$3.481m. A portion of the 2011/12 Operating General Rate Surplus was transferred to Multi-District Facility Expansion Reserve (\$1m) and (\$400k) was used to fund unbudgeted Solid Waste Resource Management Strategy Review leaving a net balance of \$2.081m.
- Other deficit of \$2.3m includes: increased employee future benefit liability due to rising number of employees on LTD in addition to insufficient budget for 2012/13 (\$1.4m); and unbudgeted expenses related to Sackville Sports Stadium being recorded in Fiscal Services (\$3.7m). These are partially offset by compensation savings (\$1.4m); delayed and cancelled projects for Barrington Street Heritage Incentives Program (\$396k); and miscellaneous items (\$540k) and the funding set aside for additional Electricity & Diesel are not required due to stable market fuel prices (\$460k).
- Increased provision of \$2.5m for valuation allowance to offset increased collection risk in some Multi-District Facilities (\$1.5m) and prior year tax appeals (\$1m).

District Capital Funds:

The report of expenditures from Councillors' District Capital Funds is included as Attachment #4 which includes two reports for this quarter. The first report relates to the 23 Districts prior to the election and shows that \$2.6m of the \$2.7m budget has been expended or committed. Reserves Statement:

The net reserve balances at December 31, 2012 are \$134m. There are approximately \$76m of approved expenditures and revenue of \$31m that have not been incurred. The projected net available funds as at March 31, 2013 are \$89m. This is an increase of \$2.9m from the 2012/13 Reserve Budget. The net increase can be attributed to the following significant decreases (increases) to the budgeted reserves balances:

Unbudgeted Reserve Transactions	Reserve Reductions (Increases)
Net Land Sales	(2,925,300)
Adjustments to commitments	(4,433,600)
Other Revenue	(1,290,000)
Interest	(205,000)
Vehicle Sales	(4,100)
Net Projected March 31/12 balances vs Actual March 31/12 balances	2,489,500
Approved Council Expenditures/Pending Council Approvals	3,452,000
Total Decrease (Increase) in projected reserve balances	(\$ 2,916,500)

Further reserve details are included in Attachment #7 to this report.

February 13, 2013

Capital Reserve Pool Balance:

Attachment #8 shows the balance in the Capital Reserve Pool (CRESPOOL) as \$1.6m, as of December 31, 2012. Any unexpended debt budget in a project, at the completion of that project, will be moved to the Capital Reserve Pool and will be used to cover cost overruns on approved projects and/or to reduce the amount of long-term debt required to fund the Project Budget of the following fiscal year.

Changes to Cost Sharing for Projects:

So far in 2012/13, HRM received cost sharing for 35 projects totalling \$5.7m. The main increase in the third quarter relates to cost sharing from the Province of Nova Scotia and Halifax Water. Complete details of the amounts received and the associated projects are included in Attachment #9 to this report.

HALIFAX REGIONAL MUNICIPALITY
Explanation of Surplus/(Deficit)
For the Period Ending December 31, 2012

BUSINESS UNIT VARIANCE ANALYSIS		Net Surplus / (Deficit)
Auditor General - Auditor General is projecting a balanced budget.		\$0
CAO - The projected surplus in the CAO unit is a combination of vacancy savings (\$301k) and various cost cutting measures (\$97k).		\$398,000
Fire & Emergency Services - The projected deficit is primarily due to overtime and costs pertaining to Fire Services' realignment. This is partially offset by cost cutting measures to help mitigate the deficit.		(\$175,000)
Finance & Information, Communications & Technology - The projected surplus is primarily due to savings from vacancies and computer hardware replacement plan. These are offset in part by increased overtime due to migration to Microsoft Outlook; job classification review and increased consulting fees related to the Spending Analysis and Strategic Procurement Project; the Comprehensive Review of Halifax Metro Center Operations and additional resources required to support IT related projects.		\$1,091,000
Human Resources - The projected surplus is primarily due to vacancy savings.		\$85,000
Legal Services - The projected deficit is primarily due to new staff positions, compensation related costs and consulting costs as a result of implementation of recent operation review and increased costs due to ongoing litigation on some large cases.		(\$555,000)
Transportation & Public Works - The projected surplus is primarily in Roads and Streets due to work not being performed because of reduction in internal staff compliment and contractor base used to limit. In addition, a transfer of Operating Cost of Capital (OCC) from reserve to Sportsfields and Playgrounds and decrease in contribution to reserve in Facilities Division contributes to this projected surplus.		\$1,244,000
Metro Transit Services - The projected surplus of \$785k will be carried forward to 2013/14 resulting in revenue equalling expenses. In 2012/13, \$1m was budgeted to fund the 2011/12 deficit. The actual 2011/12 deficit was \$800k leaving a \$200k current year surplus. The actual tax revenues for 2012/13 are \$327k above the amount budgeted. Other savings include fuel prices that have been well below budgeted price (\$562k), compensation savings primarily due to vacancy savings and managing overtime (\$500k), savings in overall project costs as well as cancelled projects and some project delays (\$762k), and miscellaneous other savings (\$334k). The surplus is offset by a significant decrease in fare revenue of \$1.9m essentially due to decreased ridership post-strike.		\$0
Planning & Infrastructure - The projected surplus is primarily a result of vacancy savings (\$467k); increased recovery of administrative costs related to Business Parks lot sales due to 2011/12 lot sales being conducted in current year (\$407k), savings primarily in External Services due to cessation of the Water Quality Monitoring Program (\$64k); and net savings throughout business unit (\$152k). The surplus is offset due to reduced recovery of administrative costs for the sale of two surplus schools not expected to conclude in this year (\$594k).		\$496,000
Community & Recreation Services - The projected surplus is primarily due to an increase in permitting, parking ticket and Summary Offense Ticket revenues (\$1.7M), vacancy savings (\$500k), a surplus from the BMO Centre operation (\$225k) and savings in non-compensation areas (\$300k).		\$2,709,000
Regional Police - The projected surplus is primarily a result of an increase in various revenues and regular salary savings offset by increased overtime due to higher than expected rates of major crime.		\$9,000
Outside Police Services (RCMP) - The projected surplus is due to actual contract costs to be paid to Provincial Department of Justice being lower than budget.		\$233,000
Library - Library is projecting a balanced budget.		\$0
TOTAL BUSINESS UNIT NET SURPLUS/(DEFICIT)		\$5,535,000

HALIFAX REGIONAL MUNICIPALITY
Explanation of Surplus/(Deficit)
For the Period Ending December 31, 2012

FISCAL SERVICES VARIANCE ANALYSIS	Net Surplus / (Deficit)
Property Taxes - The projected deficit is primarily due to the trend on tax appeals for commercial properties being higher than anticipated.	(\$121,000)
Tax Agreements - The projected deficit due to tax agreements with various entities are anticipated to be lower than budget.	(\$179,000)
Deed Transfer Taxes - The projected surplus is due to increased market activity and continued strong real estate sales ending in the Third Quarter.	\$5,500,000
Payments in Lieu of Taxes (PILT) - The projected deficit is primarily due to the actual approved tax rate of \$3.084 being lower than original proposed rate of \$3.317.	(\$146,000)
Own Source Revenue - The projected surplus is a result of: interest revenue from overdue accounts and Local Improvement Charges trending higher than budget (\$150k); rate of return from short term investment yield better than budgeted rates (\$950k); Dividend increased from Halifax Water due to increase in rate base (\$271k); increased Parking Meter revenue (\$50k); higher than estimated volume of 911 calls being processed with 2.6% inflation adjustment for call answering fee revenues (\$176k), and unbudgeted revenue related to Sackville Sports Stadium being recorded in Fiscal Services (\$3.03m). This was partially offset in other interest revenue due to increased collections on general revenues (\$80k).	\$4,547,000
Unconditional Transfers - HRM's proportion of the Nova Scotia Power HST Offset is lower than anticipated.	(\$17,000)
Debt Charges - The projected surplus is primarily related to interest payment for the 2012 Spring Issue Debenture being lower than budget.	\$251,000
Grants & Tax Concessions - The costs to renew existing tax exemptions to Non-Profit Organizations are anticipated to be lower than budget due to property re-assessments; lower tax rates; and Non-Profit Organizations in receipt of tax exemptions not assessed for property taxes in this fiscal year.	\$367,000
Capital from Operating - Transfer of \$2m from Operating Cost of Capital (OCC) Reserve Account Q320 to Fiscal Services as the OCC funds were no longer required.	\$1,999,000
Surplus Prior Year - The 2011/12 Operating general rate surplus brought forward to 2012/13 is \$2.681m more than the budget of \$4.9m, and Metro Transit's contribution to cover its 2011/12 deficit results in an additional surplus of \$800k for a total surplus of \$3.481m. A portion of the 2011/12 Operating surplus was transferred to Multi-District Facility Expansion Reserve (\$1m) and (\$400k) was used to fund unbudgeted Solid Waste Resource Management Strategy Review leaving a net balance of \$2.081m.	\$2,081,000
Other - The projected deficit is a result of: Saving from compensation related costs is lower than budget (\$1.44m); the funds set aside for additional Electricity & Diesel costs are not required due to market fuel prices remaining stable (\$460k); saving primarily related to adjustments of prior year transactions (\$540k); and surplus from Barrington Street Heritage Incentives Program due to delayed or canceled projects by property owners (\$396k). However, these are fully offset by increased employee future benefit liability due to rising number of employees on LTD in addition to insufficient budget for 2012/13 (\$1.47m); and unbudgeted expenses related to Sackville Sports Stadium being recorded in Fiscal Services (\$3.68m).	(\$2,314,000)
Provision for Valuation Allowance - The projected deficit is due to increased allowance to offset increased collection risk in some Multi-District Facilities (\$1.5m) and prior year tax appeals (\$1m).	(\$2,500,000)
TOTAL FISCAL SERVICES SURPLUS/(DEFICIT)	\$9,468,000
OVERALL SURPLUS/(DEFICIT)	\$15,003,000
