#### **BACKGROUND**

On January 9, 2013, the Special Events Advisory Committee (SEAC) motioned to offer eight events applications for funding from the Marketing Levy Special Events Reserve (MLSER) via the Exceptional Circumstances Clause. The Exceptional Circumstances Clause states that when requests for funding from the Reserve fall outside the approved policy, a separate report for funding may be created for Regional Council consideration. The MLSER is an operating reserve funded through the hotel tax levy. HRM receives 40% of the total revenue generated from the hotel tax levy for the purposes of event and economic development.

In previous years, the eight (8) events have been financially supported through various HRM event funding streams. Those funding streams include the Festival & Event Program, the Marketing Levy Special Event Reserve (MLSER) Program, and the Regional Events & Culture Budget.

The amounts received in 2012 for the eight events are as follows:

- Aileen Meagher International Track Classic \$14,500 (Non-Annual program)
- Atlantic Fringe Festival \$10,000 (Exception Clause)
- Epic Dartmouth \$14,500 (Non-Annual Program)
- Halifax Comedy Fest \$9,750 (Exception Clause)
- Holiday Parade Of Lights \$17,040 (Exception Clause)
- Multicultural Festival \$15,050 (Exception Clause)
- Nocturne Art at Night: \$42,250 (Exception Clause)
- Word on the Street \$8,000 (Exception Clause)

Staff undertakes the grant application and evaluation process which is described in Attachment 1. All recommendations respecting the allocations of the MLSER are guided by the Civic Events Granting Framework and Policy and the MLSER Reserve Business Case. Detailed information on the programs and event categories is outlined in Attachment 2.

#### **DISCUSSION**

HRM received an application for 2013/14 funding from all eight events (see Attachment 1 for Event Information of Applicants). Each application must score 50 points or higher on the MLSER Score Sheet in order to qualify for funding (See Attachment 2 for Score Sheets). All eight events scored above 50 and are being recommended for funding. All grant award recommendations are shown in Table 1:
