Subject: Recreation Facilities Inventory

Motion for Council to Consider:

Request a staff report detailing the inventory of all recreational facilities including: recreational buildings, parks, sports courts, sports fields, trails and playgrounds. Further, that this inventory be represented geographically; and

Where possible, by asset, provide detail where district capital funds have been used to build the facility.

Reason:

As requests for recreational facilities come forward councillors need to be aware of the facilities that already exist.

Outcome Sought:

A detailed report on the above.
