Dear Mayor Savage:

The Cole Harbour Harvest Festival Society is excited to be planning our sixth annual Cole Harbour Harvest Festival, scheduled for September 7th, 2013. We have a wide variety of exciting and entertaining events lined up that will appeal to all members of our community. The Canadian Military has always been a strong component of Cole Harbour, and this year we have once again acknowledged the importance of this group by requesting a flypast of an aircraft or helicopter from 12 Wing Shearwater to coincide with the opening of our Festival at 10:00 am on September 7th.

Should we receive confirmation from the Royal Canadian Air Force that they will again be part of our Festival, there is a possibility of aircraft flying at levels as low as 500 feet. In this regard, I am writing to request your permission for the Cole Harbour Harvest Festival Society to pursue the application for a flypast with the Canadian Air Force. It is my understanding that should you grant this permission, we will then require a motion of Council for final approval.

On behalf of the Cole Harbour Harvest Festival Society, I want to express our appreciation for your past support for our festival, and thank you for your attention to this matter. We look forward to hearing from you.

Sincerely,

Original Signed

Karen Gibson
Cole Harbour Harvest Festival Society
