Date of Council Meeting: September 10, 2013

Subject: Staff report regarding financial request from the Red Cross

Motion for Council to Consider:

That Halifax Regional Council request a staff report outlining a recent financial request to the Municipality from the Red Cross for their new emergency centre, the status of the request, as well as possible funding options.

Reason:

A request for financial support was submitted to HRM Staff by the Red Cross for their new emergency centre. A letter date August 12, 2013 indicating that the request had been declined was sent to the Red Cross and Regional Council was cc'd on this letter for their information. As this matter never came to Regional Council a staff report is requested so Regional Council can understand the background of the request, the basis of the Staff response, and any possible funding options that may be available.

Outcome Sought: A staff report outlining background information regarding the request, the basis of the Staff response, and possible funding options.
