Date of Council Meeting: October 22, 2013

Subject: Integration of Transit Routes 401 & 370

Motion for Council to Consider: That Halifax Regional Council request a staff report on the possibility of having the local community transit service (route #401) integrate a scheduled stop-over transfer rendezvous at the Park & Ride terminal at Porters Lake.

Reason: With the advent of the new Metro-X Rural Express Service from Porters Lake (Route # 370) about to begin on Nov. 18th, there has been community enquiries about the possibility of having the local community transit service (route #401) integrate into its schedule a stop-over transfer rendezvous at the Park & Ride terminal.

This would enable commuters to link up with the Metro X service and vice-versa to get home on the local transit service.

Outcome Sought: Staff report on the possibility of adding a scheduled stop on Route 401.
