Subject: Halifax Central Library Opening: Fly-by

Good Morning,

I would like officially request permission from Halifax Regional Council for a fly-by from a Sea King helicopter from 12 Wing Shearwater at levels as low as 500 feet, over the Halifax Central Library as part of the Official Opening Event of the Halifax Central Library, to commence at 9:45 a.m., on a date which will be publicly announced shortly.

This is an important day for the city of Halifax and our time is very limited so any effort to speed this process along would be very appreciated. Please be advised that this date has not yet been made public.

Please feel free to contact me for more information.

Thanks
