Date of Council Meeting: November 18, 2014		
Subject: Porters Lake Canal		
Motion for Council to Consider: I am requesting a staff report pertaining to the ownership options for the Porters Lake Canal. This Property has recently been declared surplus by the Federal Government. Apparently it was offered to the Province and Municipality.		
Reason: I want a staff report to assess the current condition and potential uses for the property, either as HRM as owner or partner with DNR, or a community organization or agency.		
Outcome Sought: Preferred ownership for parkland and recreational property.
