### **BACKGROUND**

The Grants Committee received a staff report dated October 14, 2014 at their November 3, 2014 meeting on tax relief to non-profit organizations related to new applications, renewals, and proposed amendments for the 2014-2015 fiscal year.

Additional information can be reviewed in the supplementary staff report to Regional Council in combination with this report.

### **DISCUSSION**

During the Committee's review of the October 14, 2014 staff report, staff advised that recommendation #8 of the October 14, 2014 staff report was to be withdrawn and alternatively staff, in consultation with Legal Services, would provide a separate recommendation report to Regional Council in conjunction with the Grants Committee recommendation report to address the organizations currently on the By-law who do not meet the requirements of Administrative Order 2014-001-ADM. Staff also noted typographical errors in Schedule 26 of the October 14, 2014 staff report.

The Committee approved the October 14, 2014 staff report recommendations with an amendment that the Musquodoboit Harbour Lions Club's request for an increase in current level of tax relief from 50% to 100% exempt be awarded (Attachment 5 of the October 14, 2014 staff report; recommendation #6).

Following the Grants Committee's approval of the October 14, 2014 staff recommendation to Regional Council, staff identified a correction to Schedule 29, Attachment 9 of the October 14, 2014 staff report, that Fung Loy Kok Institute of Taoism's three properties had been sold. Amended Schedules 26 and 29 will be provided in a subsequent supplementary staff report to Regional Council in combination with this report to address the corrections noted by staff during the Grants Committee November 3, 2014 meeting.

### **FINANCIAL IMPLICATIONS**

The budget implications will be identified in a subsequent supplementary staff report to Regional Council in combination with this report.

### **COMMUNITY ENGAGEMENT**

The Grants Committee is comprised of a voting membership of one elected member of Regional Council from each Community Council, the Chair appointed from the membership of the Audit & Finance Standing Committee (also an elected member of Regional Council), and six (6) members-at-large from the community. Grant Committee meetings are open to the public, unless otherwise indicated. Agendas, minutes and reports are available on the HRM website.

## **BACKGROUND**

HRM awards tax grants to registered non-profit organizations under the authority of s.79(1) of the *HRM Charter* (2008) enacted through HRM's Administrative Order 2014-001-ADM. The program opens in September with a deadline of November 30th for renewals and new applicants for the following year. Receiving applications in the prior fiscal year allows for an estimate of any additional cost in relation to the program's budget capacity; if required an increase in budget may be requested for the next fiscal year. If the recommendations to add, remove, or renew are approved a total of 663 properties will receive tax relief in fiscal year 2014. Due to the scale of program participation, information has been summarized and presented in tables in the Discussion section of this report. Further detail is included in Attachments 2 to 10.

## **DISCUSSION**

### **• Tax Relief Schedules: Attachment 1**

Presently, the program has five (5) levels of tax relief described as "schedules". Inconsistencies exist among organizations providing the same or similar service. These anomalies are largely a function of precedence established prior to amalgamation, annual budget capacity, assessment classification, and individual appeals. It is anticipated that these inconsistencies will be addressed through the proposed program re-design and future amendments to Administrative Order 2014-001-ADM.

### **• Recommend Removal from Program in 2014: Attachment 2**

Reasons for removal from the program include: property sale or conveyance, lease expiry, merger, reporting non-compliance (tax relief or grant), a time-limited conditional award, substantive change in property use, misrepresentation, dissolution, default or loss of registered non-profit status.

<b>Table I. Proposed Removal from the Program in 2014</b> 2014 Assessment Values and Municipal Tax Rates				
<b>Organizations</b>	<b>Properties</b>	<b>Combined Total Tax</b>	<b>Pro-Rated Tax Relief</b>	<b>Estimated Savings in 2014</b>
8	7	\$42,921	(\$0)	\$42,921

- **Proposed Addition to the Program in 2014: Attachment 3**

A majority (~90%) of organizations recommended for inclusion in the program provide affordable housing to lower income individuals and families located within urban and suburban neighborhoods. If approved, approximately 180 units of affordable housing will receive assistance and the program's waiting list of eligible non-profit housing cooperatives will be reduced as per the stated intent of a budget increase in 2013.

<b>Table II. Proposed Additions in 2014</b> 2014 Assessment Values and Municipal Tax Rates			
<b>Schedule</b>	<b>Properties</b>	<b>Combined Total Tax</b>	<b>Cost of Proposed Tax Relief</b>
<b>Schedule 30</b>	85	\$237,546	(\$59,384)
<b>Schedule 28<sup>1</sup></b>	0	\$10,400	(\$7,730)
<b>Schedule 29</b>	7	\$82,225	(\$49,184)
<b>TOTAL</b>	<b>92</b>	<b>\$330,171</b>	<b>(\$116,298)</b>

1. Proposed increase in level of tax relief. Net increase is \$1,675; total tax relief is \$7,730. The addition to Schedule 28 is a renewal and therefore not counted as an added property (0).

- **Recommend Decline of Application: Attachment 4**

The rationale to decline thirteen (13) new applications include: delinquent grant reporting, incomplete or late application, nominal tax payable, or not billed for tax as of April 1, 2014. If applicable, eligible applicants can re-apply to the 2015 program.

- **Recommend Decline Request for an Increase in Level of Tax Relief: Attachment 5**

Twenty-eight (28) organizations requested an increase in level of tax relief. A pattern of recurring requests from applicants previously declined creates administrative inefficiencies; the program's application form should be revised.

- **Recommend Renewal of Current Tax Relief in 2014: Attachments 6 to 10**

Due to the scale of program participation, recommended renewals for fiscal year 2014-15 are summarized below in Table III. The schedules have been updated to include organizations and/or properties added to the program in 2013, to remove properties no longer eligible, conditional awards, and records management (name change, civic address, corrections). The cost of renewals decreased in 2014 due to a decrease in the municipal Commercial tax rate.

<b>Table III. Proposed Renewals 2014</b> 2014 Assessment Values and Municipal Tax Rates			
<b>Schedule</b>	<b>Properties</b>	<b>Combined Total Tax</b>	<b>Cost of Proposed Tax Relief</b>
Schedule 26	115	\$1,366,255	(\$1,342,444)
Schedule 27	48	\$ 445,448	(\$ 374,983)
Schedule 28	15	\$ 395,717	(\$ 307,543)
Schedule 29	61	\$1,216,657	(\$ 800,048)
Schedule 30	332	\$1,064,065	(262,556)
<b>TOTAL</b>	<b>571</b>	<b>\$4,488,142</b>	<b>\$3,087,574</b>

- **Request for an Interim Suspension of Policy**

A review of current schedules has identified properties that do not conform to Section 2(d) and Section 5A of Administrative Order 2014-001-ADM respecting the eligibility of all levels of government and Section 5A respecting expired leases. Termination of tax relief with insufficient notice is unacceptable, therefore a temporary suspension of policy is requested of Council to allow time for the negotiation of a lease renewal, the review of HRM's Community Facilities Master Plan, or the review of a surplus property under Administrative Order 50. The applicable departmental staff have been advised.

- **Assessment Classification**

A list of assessment inquires has been submitted to Property Valuation Services regarding incorrect assessment classification. Most appear to be former residential properties now used for a non-residential purposes, for example a museum, or property owned by an organization exempt by legislation that has been sold, conveyed or leased.

- **Default Management**

In accordance with the November 4, 2013 staff report approved by both the Grants Committee and Audit & Finance Committee<sup>1</sup>, all applicants to programs administered under the auspices of the Grants Committee shall be screened for debt to the Municipality. The approach includes early detection and timely remediation to decrease the severity or frequency of default, reduce inefficiencies, and assist organizations in self-management. Within this context, tax arrears are considered to be amounts outstanding prior to April 1, 2014. Hence, additions and renewals are conditional upon payment of any prior year arrears or a signed payment plan as applicable. Organizations can also be assisted with cash flow management through a pre- authorized payment plan whereby taxes are paid in monthly installments.

- **Program Budget Implications**

The cost of renewals decreased slightly in 2014 due to a decrease in the Commercial tax rate. This saving will be negated if tax rates increase in 2015. A projected balance of \$365,403 excludes any appeals from organizations declined. The cost of the program cost could increase in 2014 if properties incorrectly assessed as exempt are corrected and billed.

## **FINANCIAL IMPLICATIONS**

All figures in this report have been rounded to the nearest dollar and are estimates excluding assessment appeals or account corrections.

2014-15 Budget M311-8006	\$3,535,000
Less Adjustments for Prior Year <sup>1</sup>	(\$8,646)
Savings from Removal of Organizations/Property in 2014	\$42,921
Less Recommend Renewals (571 properties)	(\$3,087,574)
Less Recommended Additions/Increase (92 properties)	(\$116,298)
<b>Balance</b>	<b>\$365,403<sup>2</sup></b>

1. This figure represents the refund of an over-payment by the Canadian Cancer Society for 2013 (\$7,831), and a one-time grant to the Deanery Project Cooperative Limited (\$815) approved by Regional Council August 5, 2014.
2. The tax due in 2014 for the North Woodside Community Association in the amount of \$2,220 will be applied to the 2014 Valuation Allowance and is not included as a cost to the tax relief program.  
As of  
September 29, 2014, the balance remaining in the Valuation Allowance is \$2,096,704.

<b>TOTAL</b>	<b>8</b>			<b>\$42,921</b>	

Schedules 26, 27, 29 and 30 have been amended by the removal of the properties listed above in Table 2.

**Governing Council of the Salvation Army, 2044 Gottingen Street, Halifax**

The property owned by the Salvation Army was added to the former By-law T-200 in 2001. Most of the facility is used as a residence and office space. Approximately 87% of the assessed value is classified as Exempt Residential and Exempt Commercial. The only portion assessed as taxable is leased to a third

party. The current tenant is Corrections Canada; the tenant is ineligible for tax relief as per s. 6(1)(a) of the Administrative Order.

**North Preston Medical Society, 52 Cain Street, North Preston**

The registered status of the property owner is in default as of 2010 and as does not comply with s. 4A(b) of the Administrative Order. The Society was notified of their lapsed registration in a letter dated February 10, 2014. As of September 17, 2014, registration remains in default. The sole use of the property appears to be for the operation of the North Preston Day Care Society, a registered non-profit.

**North Woodside Community Association/HRM, 230 Pleasant Street, Dartmouth**

The property is owned by HRM and operated under a facility management agreement. The Centre was added to the tax relief program in 2001 but the award has not been pro-rated to exclude for-profit and private tenancy. A site visit on September 19, 2014, confirmed for-profit tenancy that should be excluded from tax relief. Because the error in amending the level of tax relief is HRM's, the tax due in 2014 will be posted against this year's Valuation Allowance. HRM staff and the Association will be notified of the recommendation to remove the property from Schedule 26, this year's write-off, and that taxes will be payable commencing 2015.

Attachment 3

**Recommend Addition to Tax Relief Program in 2014**

In 2013, Regional Council approved an increase in the program's budget to address a backlog of applications from non-profit housing associations, notably non-profit housing cooperatives. Eligibility is based on incorporation under the Cooperatives Associations Act, Chapter 7, s.61 (A) to (F) as membership-based non-profit associations whereby residents receive no shares, dividends, or share of revenue and at dissolution the assets of the cooperative are distributed to a non-profit with similar altruistic aims. If approved, partial tax relief applies only to the civic addresses listed in Schedule 30. Tax relief is not transferable: an acquisition, conveyance – including for the purpose of merger under an existing, new or revised name – shall constitute an amendment to tax relief status and a new application is required.

HRM shall seek the owner's written consent to bill the tenant directly with notification provided to the owner, a mortgage company or judgement against the property of any collection proceedings. If partial tax relief is approved, the account balance shall be adjusted as of April 1, 2014 and any tax arrears prior to this date (fiscal years 2012 and 2013) will be due in full or in accordance with a signed payment plan.

**Halifax Refugee Clinic, 5538 Macara Street, Halifax**

The property is assessed at the Residential rate (\$3,444) but the change to non-residential use should have triggered a re-assessment at the Commercial rate. Full exemption requested. The current cost to HRM is \$0 but once the assessment classification is corrected there will be a cost to the program in 2015.

This property was added to the program at a Conversion to the Residential rate. The premises are used for office administration, programming, a food bank, and emergency overnight respite. Because the residential use is temporary (not a permanent place of residence or "home") the entire property is assessed at the Commercial rate. A partial increase recommended based on the limited scale of residency. If approved the saving to the owner will increase by an additional \$1,675, in 2014. A referral of the owner to Property Valuation Services recommended.

**BFM Foundation Real Estate Management (2008) Limited/BFM Halifax Enterprises Society, 31 Temple Terrace, Lower Sackville – Late/Incomplete**

In December, 2013, HRM received an application from BFM Foundation Real Estate Management (2008) Limited on behalf of BFM Halifax Enterprises. The application was late and incomplete. In February, 2014, a re-submission provided further detail was still incomplete; the applicant BFM Foundation Real Estate Management (2008) Limited is a wholly owned corporation of the BFM Foundation (Canada), a charitable foundation created by The Bibles for Missions Holding Society.<sup>2</sup> The BFM Foundation raises money for The Bible League of Canada from the sale of donated used goods through a network of local thrift stores for the purpose of “the propagation of gospel”, notably in the developing world. Financing for the purchase and/or development of retail outlets is provided through a conventional mortgage and/or private investors whose loan is held by BFM Holdings Society (a for profit business) and issued to BFM Real Estate Management (2008) Limited. These interest-bearing loans are then re-paid by the local operator through a “stewardship agreement” BRM Real Estate Management (2008) Limited. Full exemption from tax was requested.

In a letter dated May 29, 2014, BFM Foundation Real Estate Management (2008) Limited was advised that HRM could confirm BFM Halifax Enterprise’s eligibility as a registered not-for-profit business (Canada Corporations #7838832) and satisfies s.4A(b)(i) of the program’s policy. But the status of the property management company (the applicant on behalf of the operator) was unconfirmed. A copy of the lease agreement was requested. Use of the BFM Foundation’s charitable number was not accepted because they do not hold title and are not the operator/tenant of the premises.

In June, 2014, a third revision to the application was submitted in the name of BFM Halifax Enterprises. Technically, the local proprietor does not pay ‘rent’; a “stewardship agreement”. By virtue of this arrangement the application review has been unable to confirm the applicant’s compliance with Section 5A in terms of both an organization that “leases real property” and proof that the lease requires the eligible tenant to pay the real property taxes. A copy of the stewardship agreement was provided and forwarded to Legal Services to confirm if this form of agreement complies with s.5A. The application is both late and incomplete. BFM Foundation Real Estate Management (2008) Limited has been notified of the review findings and additional information has been requested. The Society can re-apply to the 2015 program. Further review recommended.

**Needham Housing Co-Operative Limited (Former Alliance Housing Co-Operative), Halifax**

In June, 2012, the Alliance Housing Co-Operative Limited merged with the Needham Housing Co-Operative. Title to six (6) properties remain in the name of the former Alliance cooperative which is no longer a registered non-profit.

**Purcell’s Cove Social Club, PID # 00334375, Purcell’s Cove Road, Halifax**

The 13.5 acre parcel of land described by the applicant as a wharf and “small park” is configured as a ‘flag lot’ bisected by the Purcell’s Cove Road. Approximately 13 acres extends in-land as a narrow wooded area that abuts the Club’s main property. The property extends on the other side of the road to the waterfront (0.5 acres or less) with a small gravel parking lot, floating dock, and picnic tables. Although the current use is non-residential, the property assessment classification is Residential (\$1,356). To date, sailing clubs have received a Conversion from the Commercial to Residential tax: the current assessment classification is comparable. The applicant could seek confirmation of their eligibility for the Recreation Tax Rate (a flat rate per acre) through Property Valuation Services.

**Presentation of Information. Recommend Renewal in 2014  
Schedules 26 to 30**

The “Schedules” included in Attachments 6 to 10 provide public disclosure with respect to the recipients of a municipal tax grant and an accounting of the individual and combined total cost of the program.

- **Organization:** The registered name of the recipient organization is used for accuracy and consistency. If the organization operates under a name other than their registered name or is “known as....” this qualifier is included in parentheses. For example, “BCM International (Mount Traber Bible Camp)”.
- The # sign indicates the total number of properties owned by the same organization in receipt of tax relief at the level described in the “Schedule”.
- The civic address identifies the location of the property. Tax relief is not transferable. If an organization wishes to add a property or a property is sold, conveyed or leased separate application must be made to the program. Properties without a civic address may be identified using the Property Identification Number (PID) or Assessment Account Number (ANN).
- **2014 Taxes:** This is the total value of all taxes due in the current fiscal year, excluding any municipal tax relief.
- **Tax Relief (Proposed):** Subject to Council’s approval, the value of HRM’s grant.
- All dollar values are rounded and are estimates and exclude any assessment appeal or account correction.
- **Property Use:** Identifies the type of amenity, program or service provided by the organization at the location identified by the civic address. The property’s primary use is described using broad categories with any additional qualifier in parentheses. For example, Leisure (Hall).
- **Leased Property:** The registered name of the tenant appears first followed by the registered name of the property owner. For example, Kinsmen Club of Dartmouth/HRM. The date a lease expires is shown by day/month/year. This information is necessary to track tenant eligibility.

**Recommend Renewal - Schedule 26**

If approved by Regional Council, Schedule 26 is amended by:

- Reinstatement of tax relief for Dartmouth Non-Profit Housing Society, 53 Ochterloney Street, Dartmouth, due to termination of a private sector lease in 2013. The upper floor is now leased to the Heritage Trust of Nova Scotia.
- Removal of the Khyber Arts Society and Heritage Trust of Nova Scotia, 1588 Barrington Street, Halifax. The building is vacant.
- Removal of condition applied to Bayside United Baptist Camp Association: the Director's residence serves as seasonal accommodation not an employment-related benefit.
