Dear Mayor Savage,

HMCS IROQUOIS is requesting permission from the city of Halifax to have a Sea King Helicopter approach HMCS IROQUOIS at her berth on November Bravo Jetty in the vicinity of the Halifax Casino in support of the ship's Paying Off Ceremony.

The date of the ceremony is 1 May 2015. The ceremony starts at 1300 and will be approximately two hours in duration. I would like to request a one hour window starting at 1400 to allow a sufficient time for the Sea King to fly past as part of the Paying Off Ceremony.

We are requesting that the Sea King conduct the fly past no lower than 500 feet. They may also conduct a hover to create photo opportunities.

On behalf of HMCS IROQUOIS I would like to thank the city of Halifax for the support provided over the last 42 years and for their continued support of the Royal Canadian Navy.

Yours truly,
