Recommendation Continued on Page 2

2. Pending the approval of 2016/17 Budget, approve an event grant of \$41,000.00 for the Canadian Spring Canoe Kayak Championship as identified in Table 2 of the staff report dated May 11, 2015 with funding from the Marketing Levy Special Events Reserve (Q315).

### **BACKGROUND**

A staff report dated May 11, 2015 pertaining to the Marketing Levy Special Events Grants Reserve (MLSER) was before the committee at its meeting held on June 3, 2015.

For further information please refer to the attached staff report dated May 11, 2015

### **DISCUSSION**

The Special Events Advisory Committee reviewed the fifteen (15) Special Events Grant Applications at its meeting held on June 3, 2015 and proposed the following modifications:

- An increase to the proposed event grant for CheerExpo from the recommended amount of \$21,750.00 to \$30,000.00 to be competitive with other jurisdictions seeking to attract the event as well as the economic impact generated for the tourism, retail, and service industries by the event being held in the shoulder season.
- A reduction to the proposed event grant for Hal-Con Sci-Fi from the recommended figure of \$51,000.00 to \$45,000.00 based on the revenue that is generated through increased ticket sales and the successful and sustainable growth of the event.
- An increase to the proposed event grant for the Multicultural Festival to \$25,000.00 from the recommended \$21,500.00 based on economic and cultural impact in promoting the municipality to New Canadians.

The committee supported the recommendation of staff to not provide a special event grant to the Bluenose Squash Classic as it did not meet the sufficient scoring threshold of 50 points or greater for grant support.

### **FINANCIAL IMPLICATIONS**

With the approval of the 2015/16 budget, the funding is available in the MLSER Reserve (Q315). Projected contributions and withdrawals are as follows:

Net Available Balance April 1, 2015	\$ 189,180
Plus: Marketing Levy projected revenue for 2015/16	\$1, 201,412
Less: Previous approvals for 2015/16 funding:	
Web.com PGA Tour Stop Host	\$ (300,000)
Less: 2015/16 Hallmark Event Grants	\$ (400,000)
Less: 2015/16 MLSER Events (per SEAC recommendation)	\$ (425,250)
Less: 2016/17 MLSER Events (per recommendation 2)	\$ (41,000)
Less: Canada VS Glasgow Rugby 2015 (pending)	<u>\$ (50,000)</u>
 Projected Reserve Balance March 31, 2016	 \$ 174,342

Only one of the applicant organizations (Word on the Street) has an outstanding invoice to HRM. Any outstanding invoices to HRM will be deducted from any grant award if approved.

### **COMMUNITY ENGAGEMENT**

All meetings of the Special Events Advisory Committee are open to the public. The agenda and reports are posted online in advance of the meeting.

### **ENVIRONMENTAL IMPLICATIONS**

Not applicable.

**ALTERNATIVES**

The Special Events Advisory Committee did not discuss alternatives.

**SUBJECT:**

Marketing Levy Special Events Reserve Grant Report 2015

**ORIGIN**

Civic Events Policy and Granting Framework approved by Regional Council on March 27, 2007.

**LEGISLATIVE AUTHORITY**

*Halifax Regional Municipality Charter, Section 79, (1) (av)*

**RECOMMENDATION**

It is recommended that the Special Events Advisory Committee recommend that Halifax Regional Council:

1. Approve 15 Event Grants for a total of \$419,500 as identified in Table 1 from the 2015/16 Marketing Levy Special Events Reserve (Q315); and
2. Pending the approval of the 2016/17 budget, approve 1 Event Grant for a total of \$41,000 as identified in Table 2 from the 2016/17 Marketing Levy Special Events Reserve (Q315).

## **BACKGROUND**

This report outlines the recommended Marketing Levy Special Events Reserve (MLSER) grant awards from the applications received during the 2015 intake. The MLSER is an operating reserve generated through a hotel tax levy. HRM receives 40% of the total revenue generated from the hotel tax levy for the purposes of supporting events and economic development (the other 60% supports the operation of Destination Halifax).

All recommendations respecting the allocations of the MLSER are guided by the Civic Event Granting Framework and Policy and the MLSER Reserve Business Case. The annual application intake typically closes the last Friday in January for events seeking funding from the MLSER.

On January 21, 2015, a report outlining a new process and administrative orders for the event granting process was presented to the Audit & Finance Standing Committee for Regional Council's consideration. On February 3, 2015, Regional Council deferred the proposed Event Grant Administrative Orders to a Committee of the Whole meeting. This deferral means that all programs, including the MLSER Programs, will be governed under the current Civic Events Policy and Granting Framework for 2015/16. Due to the delayed start with the event grant process, no presentations were scheduled for Special Events Advisory Committee (SEAC) to expedite the recommendation and approval process. This change will allow funding approvals by Regional Council to be delivered for the summer event season. Should SEAC decide to request presentations from the applicants, the process timeline will be impacted.

There were a total of 19 applications submitted for funding from the MLSER for the 2015/16 grant intake. There were 7 applications submitted for funding to the Non-Annual Event Program, and 12 applications for funding to the Exceptional Circumstances Clause. The Non-Annual Event Program supports large scale, infrequent events that have a national/international tourism draw and significant local economic impacts.

The Non-Annual Event Program has three categories:

1. Tourism;
2. Sporting; and
3. Major Civic Celebration events.

The Exceptional Circumstances Clause states that Regional Council may consider requests for funding from the MLSER when requests fall outside the approved policy. In 2014/15, there were 9 events that received funding via the Exceptional Circumstances Clause due to policy restrictions in funding annual events. In 2015/16, 12 events applied under the Exceptional Circumstances Clause for funding due to their annual occurrence.

Staff undertakes the grant application and evaluation process which is described in Attachment 1. This report outlines the proposed MLSER grant funding for SEAC's consideration for recommendation to Regional Council.

## **DISCUSSION**

Any applicant requesting funding from the MLSER was requested to complete a predictive Sport Tourism Economic Assessment Model (STEAM) Report. The STEAM Report is an economic and tourism assessment tool adopted by the Nova Scotia Tourism Agency (NSTA) that is provided by the Canadian Sport Tourism Alliance. The model is adjusted to provide evaluation on tourism events that have no sporting component. This new assessment report was requested based on direction from SEAC to provide a more detailed evaluation of the economic and tourism impact on events receiving funding from the MLSER.

### **Non-Annual Event Grant Program**

To be eligible for funding, events must be non-annual and must fall within one or more of the event

programs outlined in Attachment 2. Upon determining eligibility, each event is assessed to determine which, if any, grant program it may qualify for consideration.

Following the review of all 7 applications, the proposed events were placed into one of the following three categories (see Attachment 3):

- Ineligible Events;
- Applications requiring additional information; and
- Eligible Events.

There were 3 out of the 7 applications that were deemed ineligible for funding. Based on the information provided in those applications, two of the events appear to be closer aligned to the Festival and Events program. Therefore, those applications have been redirected to HRM Festival and Events grant process. The remaining 4 events were deemed eligible and were scored using the MLSER Score Sheets. Events must score 50 or greater in order to qualify for funding. All eligible applications scored 50 points or higher and qualified for grant support (Attachment 4).

The 2015/16 MLSER proposed funding amounts are displayed in Table 1 and 2016/17 MLSER proposed funding amounts are displayed in Table 2.

#### Exceptional Circumstances Clause

HRM received 12 applications for funding via the Exceptional Circumstance Clause (Attachment 5). All events under the Exceptional Circumstances Clause follow the same scoring process as Non-Annual Events. There were 11 of the 12 applications that scored 50 points or higher and qualified for grant support and 1 application that did not qualify for grant support (Attachment 6). Only one of the applicant organizations (Word on the Street) has an outstanding invoice to HRM. The 2015/16 Exceptional Circumstances Clause proposed funding recommendations are also displayed in Table 1.

**Grant Application and Evaluation Process**

For the 2015/16 fiscal year, there was one application intake offered. The application process requires several steps until a final decision is made by Regional Council, as outlined below:

**Step One: Grant Application Submission**

Candidate applications are submitted. Upon receipt, staff communicates receipt of the application. An application reference number is provided.

**Step Two: Applications Scoring and Presentations**

Applications are reviewed to determine eligibility for the respective grant program. Staff analyzes and scores each application accordingly (eligible events must reach the minimum score to be recommended a grant award). Award recommendations are developed within the allocated budget based on a grant allocation formula. Approved applicants requesting over \$20,000 in funding are typically required to make a presentation to the Special Events Advisory Committee.

**Step Three: Special Events Advisory Committee Deliberations**

Upon review of all applications, and hearing presentations (if applicable), SEAC prepares and forwards its recommendations to Regional Council. A committee report is tabled for Council's consideration.

**Step Four: Regional Council Decision**

Upon review of the recommendations provided by the SEAC, Regional Council makes a final decision on the proposed grants. Both successful and unsuccessful grant applicants are officially notified of Regional Council's motions.

## **Attachment 2 Event Programs and Categories**

The Reserve Business Case as approved by Regional Council in 2007 acts as the governing document for funding allocations from the Marketing Levy Special Events Reserve (MLSER). The purpose of the Reserve Business Case is to provide funding to attract and host exceptional tourism, culture, and heritage events that are typically national or international in calibre, and that occur on an infrequent basis, where HRM plays a leading and/or hosting role.

The Civic Event Granting Framework and Policy was also approved by Regional Council in 2007 and guides all decisions respecting the allocation of the MLSER funding. The following categories were identified for funding and are referred to as the Non-Annual Event Categories:

### **Non-Annual Event Categories**

- **Sporting Events:** large, compelling, major market events with high expenditure potential. Such (sporting) events also have a high potential for national and international exposure and the ability to encourage multi-day visits. A grant program for local sporting events is not included.
- **Tourism Events:** large, compelling to a major market and with high expenditure potential. Such events also have a high potential for international exposure and the ability to encourage multi-day visits. To be considered a true tourism event, a material share of total participation must come from overnight tourists/visitors.
- **Major Civic Celebrations:** special and significant major civic events that mark important celebrations, memorials, commemorations, anniversaries, or significant functions.

**Attachment 3  
Non-Eligible and Eligible Events**

**A. NON-ELIGIBLE EVENTS**

Following the review of the applications, 3 events were ineligible for grant support, 2 applied under the Sporting Category and one applied under the Tourism category.

1. **Event:** Jeux regionaux de la Nouvelle-Ecosse 2015  
**Organization:** Comite provincial des Jeux de l'Acadie Nouvelle-Ecosse  
**Grant Requested:** \$5,000

This event is proposed for May 14–17, 2015, at various locations throughout Halifax Regional Municipality. The purpose of the event is to showcase a cultural and athletic competition for Nova Scotia's francophone youth aged 10 to 16. The winners of this event go onto the Acadian Games at the end of June.

Based on information contained within the application, staff has deemed this application ineligible because it is a regional competition and does not meet the Tourism criteria of being a national/ international caliber event. Based on the information provided, this event appears to be closer aligned to the Festival and Events program. Therefore, this application has been be redirected to HRM Festival and Events grant process.

2. **Event:** Sail Canada East  
**Organization:** St. Margaret Sailing Club  
**Grant Requested:** \$2,500

This event is proposed for July 15-19, 2015, in St. Margaret's Bay. The purpose of the event is an annual competitive sailing competition for youth and developing sailors in Eastern Canada. Sail East is the regional competition for Nova Scotia, New Brunswick, Prince Edward Island and Newfoundland and Labrador. Sail East is 1 of 3 competitions under Sail Canada alongside Sail Central and Sail West.

Based on information contained within the application, staff has deemed this application ineligible because it is a regional competition and does not meet the Tourism criteria of being a national/ international caliber event. Based on the information provided, this event appears to be closer aligned to the Festival and Events program. Therefore, this application has been be redirected to HRM Festival and Events grant process.

3. **Event:** Argyle Street Arts & Culture Festival  
**Organization:** Argyle Entertainment District Association  
**Grant requested:** \$100,000

This event is proposed for September 25-27, 2015, on Argyle Street in downtown Halifax. The purpose of the event is to create a signature downtown event in Halifax that celebrates arts and culture and brings vibrancy to Argyle Street. The event proposes to turn Argyle Street in an entertainment event site with both free and paid programming.

Based on information contained within the application, staff has deemed this application ineligible because it does not meet the Tourism criteria of being a national/ international caliber event. The proposed event is focused on Halifax and Nova Scotian artists and is structured as a community celebration, rather than a tourism event.

**B. APPLICATIONS REQUIRING ADDITIONAL INFORMATION**

Following the review of the applications, 0 (zero) events required additional information.

**C. ELIGIBLE EVENTS**

Following the review of the applications, 4 events have been identified as eligible for grant support and have qualified for funding.

**Major Sporting Events**

The following Major Sporting Event applications have been received:

- 1. **Event:** 2016 CIS Men's Hockey Championship
- Organization:** Society of University Cup Halifax
- Grant requested:** \$150,000
- Grant Recommended:** \$88,500

	2014 Attendance	2015 Estimated Attendance	2015 Estimated Attendance from:	
<b>Spectators</b>	37,000	40,000	<b>Within HRM</b>	30,000
<b>Participants</b>	250	250	<b>Within Atlantic Canada</b>	9,500
<b>Total</b>	37,250	40,250	<b>Outside Atlantic Canada</b>	750

This event is proposed for March 16–20, 2016, at the Scotiabank Centre. The Canadian Interuniversity Sport (CIS) University Cup is a national championship that features the top 6 university men's hockey teams in Canada. There will be one team from the Western, Ontario, Quebec and Atlantic conferences along with a wild card entry and the host team (St. Francis-Xavier University).

The 2 semi-final games and the championship game will be broadcasted live nationally on Rogers Sportsnet. Tournament passes for the entire championship are \$119 with discounts for seniors, students, children and the military and individual game tickets will be under \$20. The estimated total attendance is 40,000 spectators, 200 athletes and 300 volunteers. The event estimates that it will attract 10,250 visitors from outside HRM and that the event will generate an estimated 1,000 room nights. The overall budget is \$875,000. The predictive Sport Tourism Economic Assessment Model (STEAM) report indicates that the event would have an increase in economic activity in HRM of \$1.2 million with direct spending of \$762,148. As well, 90% of the event's expenses would be spent in HRM with local businesses.

Based on information contained within the application, staff has evaluated 2015 CIS Men's Hockey Championship and identified a score of 67 points out of 100 on the MSLER Score Sheet.

- 2. **Event:** 2015 FIVB World League
- Organization:** Volleyball Nova Scotia
- Grant Requested:** \$50,000
- Grant Recommended:** \$10,000

	2014 Attendance	2015 Estimated Attendance	2015 Estimated Attendance from:

<b>Participants</b>	N/A	30	<b>Within Atlantic Canada</b>	1,500
<b>Total</b>	N/A	5,030	<b>Outside Atlantic Canada</b>	30

This event is proposed for June 5 and 6, 2015, at the Scotiabank Centre in downtown Halifax. The event is 2 matches between Argentina and Canada's national volleyball teams which are a part of a bigger tournament featuring 32 countries. Each team in the overall tournament plays 2 home and 2 away games within their pool. The top teams from each pool will advance to the finals which will be located in Bulgaria in July. The event is held annually in Canada, however, this is the first year the event will be held in Atlantic Canada.

The event will be gated with varying ticket prices that have not yet been set. The estimated total attendance is 5,000 spectators, plus 30 athletes and over 100 volunteers. The event will attract 1,530 visitors from outside HRM and estimates that over 1,000 room nights will be generated. The estimated event budget is \$343,000.

Based on information contained within the application, staff has evaluated the event and identified a score of 52 points out of 100 on the MSLER Score Sheet. While this score calculates to a grant award of \$14,500, staff recommends a grant award of \$10,000 as a result of the indoor location and season of the event.

3. **Event:** National Skating Championship  
**Organization:** Skate Canada Nova Scotia/Skate Canada  
**Grant Requested:** \$75,000  
**Grant Recommended:** \$42,250

<b>Participants</b>	N/A	250	<b>Within Atlantic Canada</b>	7,000
<b>Total</b>	N/A	20,250	<b>Outside Atlantic Canada</b>	3,000

This event is proposed for January 17-24, 2016, at the Scotiabank Centre in downtown Halifax. The event also requires a practice arena and originally the Dartmouth Sportsplex was identified as the practice location however organizers are now considering the Halifax Forum as the evening closures of the MacDonald Bridge may prove problematic. This premier event for Canadian skaters determines the champions of Canada and selects the World Teams which will go on to 4 Continents, Junior Worlds and Senior Worlds. The event will run over 8 days and has novice, junior and senior categories for pairs, singles and dance.

The event will be gated with varying ticket prices on a sliding scale from novice to senior events and there will be a school program offered. The estimated total attendance is 20,000 spectators plus 250 athletes and over 300 volunteers. The event will attract 10,000 visitors from outside HRM and estimates that over 3,000 room nights will be generated. The estimated event budget is \$1,000,000.

Based on information contained within the application, staff has evaluated the event and identified a score of 67 points out of 100 on the MSLER Score Sheet.

4. **Event:** Canadian Spring Canoe Kayak Championship  
**Organization:** Atlantic Division Canoe Kayak Canada  
**Grant Requested:** \$65,000  
**Grant Recommended:** \$41,000

<b>Total</b>	3,950	6,040	<b>Outside Atlantic Canada</b>	2,447

\*Event attendance numbers are from the Championship held in Regina, Saskatchewan in 2014

This event is proposed for August 30 – September 4, 2016, at Lake Banook in Dartmouth. The Canadian Spring Canoe Kayak Championship annually hosts 40 paddling clubs from across the country for a five day event. The championship hosts numerous age categories and awards national titles in 140 events. The event also includes Para Canoe and PaddleAll races.

The event is free for spectators to watch and the estimated total attendance is over 4,000 spectators plus 1,800 athletes and hundreds of volunteers. The event will attract 2,532 visitors from outside HRM and estimates that over 3,000 room nights will be generated. The estimated event budget is \$343,000.

Based on information contained within the application, staff have evaluated the event and identified a score of 69 points out of 100 on the MSLER Score Sheet.

<b>Total</b>	680	1,700	<b>Outside Atlantic Canada</b>	40

The event is scheduled for June 2, 2015, at Saint Mary's University, Halifax. The event is an annual track and field competition featuring local, national and international athletes. The event is 1 of 5 National Track League competitions and includes youth, masters and para Olympic events.

The event is gated with an entry fee of \$10 for adults, \$5 for children/ seniors, and free groups of tickets are given to elementary schools. The event estimates that it will attract 1,500 spectators, 200 athletes and 110 volunteers. The event estimates 200 tourists from outside HRM will attend and that the event will generate 180 room nights for athletes alone. The proposed budget is \$172,000.

Based on information contained within the application, staff has evaluated the Aileen Meagher International Track Classic and identified a score of 57 points out of 100 on the MSLER Score Sheet. While this score calculates to a grant award of \$23,400, staff recommends a grant award of \$17,500. This recommendation is due to the fact that the proposed event operations have not significantly changed from the 2014 event and the submitted application does not reflect the amount of economic development in order to support the grant request.

2. **Event:** Atlantic Fringe Festival  
**Organization:** Atlantic Fringe Festival Society  
**2014 Requested:** \$20,000

This triathlon event is scheduled for June 25-29, 2015, at Lake Banook, Dartmouth, with the cycling portion of the race through Eastern HRM to Musquodoboit Harbour. The triathlon has 18 races over 5 days with varying distances/ categories and partners with Canoe Kayak Canada Atlantic Division, Swim Nova Scotia, Run Nova Scotia and Triathlon Nova Scotia. The 2015 event will include the Epic Canadian (a family-friendly 5/10km walk/run) and the Epic Kids triathlon (the largest ever held in Eastern Canada).

The event is free to spectators and competitors pay a cost recovery fee to participate. The event estimates that it will attract 13,000 spectators, 2,550 participants and 450 volunteers. The event estimates 1,316 tourists from outside HRM will attend and that it will generate 721 room nights. The proposed budget is \$329,000.

Based on information contained within the application, staff has evaluated the event and identified a score of 64 points out of 100 on the MSLER Score Sheet. While this score calculates to a grant award of \$72,750, staff recommend a grant award of \$45,000. This recommendation is due to the fact that the proposed event operations have not significantly changed from the 2014 event and the submitted application does not reflect increased economic development in order to support the grant request.

6. **Event:** Hal-Con Sci-Fi  
**Organization:** Hal-Con Sci-Fi Fantasy & Cosmic Convention  
**2014 Requested:** \$100,000  
**2014 Grant:** \$45,000
