DATE: June 16, 2015

SUBJECT: Adoption of Administrative Order One

ORIGIN

This report originates as a result of the following motion passed by Regional Council on June 25, 2013:

That the Executive Standing Committee, supported by staff, is directed by Halifax Regional Council to undertake a review of Council's governance and committee structure and the terms of reference of Standing Committees to ensure the structure supports Council's priorities, to be completed by June 30, 2014 for submission to Regional Council.

LEGISLATIVE AUTHORITY

Section 20 of the *Halifax Regional Municipality Charter* ("HRM Charter") grants Regional Council the authority to set procedures for council meetings:

20 (1) The Council may make policies

- (a) respecting the date, hour and place of the meetings of the Council and the notice to be given for them;
- (b) regulating its own proceedings and preserving order at meetings of the Council;
- (c) providing for committees and conferring powers and duties upon them, except the power to expend funds;

Administrative Order 54, *Procedures for Developing Administrative Orders*.

RECOMMENDATION

It is recommended that Halifax Regional Council:

1. adopt Administrative Order One (2015), *Procedures of the Council Administrative Order*, to repeal and replace Administrative Order One (2011), *Respecting the Procedures of Council* as set out in Attachment 1 of this report; and
2. refer discussion of this matter to Committee of the Whole.

BACKGROUND

The governance review was undertaken as directed by Regional Council. Once the review was completed, staff identified three phases that should be addressed. The first phase dealt with appointments to external committees. This phase was considered by the Executive Standing Committee on August 6, 2014 and September 22, 2014 and considered by Regional Council on October 21, 2014. The second phase looked at the membership and terms of reference for the Standing Committees including the number of members to be appointed to the Standing Committees. The Appeals By-law and all the terms of reference were reviewed, revised and added to Administrative Order One. Notice of Motion of these changes was given by Regional Council on December 9, 2014 with debate and adoption on February 3, 2015.

The third phase, which is the subject of this report, reviews Administrative Order One as a whole. On April 2, 1996, Regional Council adopted Administrative Order One. Between 1996 and 2011, Council amended it from time to time as Council required. On August 9, 2011 Council repealed and replaced the 1996 Administrative Order One; however much of the Administrative Order remained unchanged and has not undergone a full review since 1996. Through phase three of the governance review, staff has identified a number of changes for Council's consideration. These changes address housekeeping matters, revisions to update Administrative Order One to reflect current practice and several new additions for Council's consideration.

In addition, there is now an opportunity to move the Community Council rules under Administrative Order One. Prior to 2012, each Community Council had different procedural rules. The procedural rules for Community Councils were unified in 2012 when the current Community Council structure was established by Regional Council. The unified procedural rules are currently set out in Schedule 2 of Administrative Order 48, *The Creation of Community Councils*. As Council is now considering all of Administrative Order One, there is an opportunity to move the rules from Administrative Order 48 and place them under Administrative Order One thereby putting all the procedural rules in one Administrative Order.

DISCUSSION

Administrative Order One has been reviewed and amendments have been prepared for Council's consideration based on the underlying principles of open, transparent and accountable government.

Housekeeping Changes

While the general order of items in Administrative Order One has not changed, there are a number of housekeeping amendments, including the following:

- a) reworking the Table of Contents to reflect the reorganization.
- b) adding section headers and breaking out lists of subsections into separate sections for ease of use.
- c) revising the language for consistency, for example, "Council" is referred to both as "Council" and "the Council" and the meetings of Council are referred to both as "Council meetings" and "meetings of the Council". The term "the Council" and "meeting of the Council" are now used throughout.
- d) adding new definitions of: CAO, CFO, Community Council, consent agenda, DCAO, *HRM Charter*, Member, and status sheet.

- e) removing the Rules Governing Procedures for Community Councils from Administrative Order 48 and adding them as Schedule 8 to Administrative Order One. This allows all of the rules of procedure to be located in one Administrative Order.

Procedural Changes

Council's current practice is clarified within the Administrative Order, as follows:

- a) The agenda is reviewed prior to Council. The Mayor and Chief Administrative Officer ("CAO") may move any item to the consent agenda, defer any agenda item to a subsequent meeting of the Council or refer a matter to a Community Council, Committee of the Whole, or Standing Committee(s. 18 and s. 19).
- b) Meetings may be extended past 10 p.m with a vote of 2/3rds of the members present (s. 34). The existing Administrative Order One only allowed for a meeting of **Council** to be extended past 10 p.m. with a 2/3rds vote. A motion to extend the time of a meeting beyond 10 p.m. may now be made and passed while in Committee of the Whole on Budget, Council or Committee of the Whole (s. 35).
- c) Council may waive notice of motion with an affirmative vote of two-thirds (2/3rds) of Members present, except for a by-law and Administrative Order as there are requirements for notice in the *HRM Charter*. In addition, now Council cannot waive notice in respect of a motion in opposition to a staff report (s. 49).
- d) Motions to move In Camera and to move into Committee of the Whole are debatable (subclause 51(4)(b)(v) and (vi)).
- e) A motion to amend that the mover of the original motion agrees is a friendly amendment is not required to be put to a vote and, with such consent, will become part of the motion (ss. 53(2)).
- f) A motion that is deferred and not considered by the Council for six months shall be deemed to have been withdrawn (ss. 55(4)).
- g) When speaking to a question for the first time, the rules now expressly provide that a Member shall not speak more than five minutes (ss. 83(2)).
- h) Section 119 codifies the procedure for the appointment to a Standing Committee.
- i) Councillors are still allowed to attend committees they are not members of but it has been clarified that they may now take part in discussions and debate at those committees (s. 130).

Substantive Changes

Several new provisions have been added to Administrative Order One to address apparent procedural issues. The new provisions include the following:

- a) A purpose section has been added (s. 2). This section states that Administrative Order One:
 - i. recognizes the functions of the Municipality including providing good government;
 - ii. complements and supplement the requirements contained in applicable municipal legislation;
 - iii. provides notice to the Members and the citizens respecting matters that will be considered by the Council; and
 - iv. provides an open, respectful and orderly forum for public input, debate and decisions.

It further states that the rules laid out in Administrative Order One will govern the procedure at Council, Community Council and committees of the Council.

- b) Council may waive procedures codified by Administrative Order One with an affirmative 2/3rds majority vote (ss. 4(2)). Section 5 clarifies that notice of an amendment to Administrative Order One may not be waived as the *HRM Charter* requires at least seven (7) days of notice to members of Council respecting amendments to any Administrative Order.
- c) Information Reports provided to Members will have an index, and the index will include the author of each Information Report and the date it was received (s. 12). A Member may request that an information report be added to the Agenda for the purpose of asking questions of clarification providing the Member has given notice that he or she intends to ask such questions before the meeting of the Council commences (12(5)). This notice requirement cannot be waived. This will permit the appropriate staff to be present to provide the clarification requested.
- d) The Presiding Officer may call for a moment of reflection once the meeting is called to order (s. 26(2)).
- e) An opportunity for a declaration of conflict of interest is now a standing item on the agenda (s. 36(f)).
- f) A process for a consent agenda has been added to the order of business (s. 41) for routine items or non-controversial items that may be approved in one motion by the Council rather than separate votes on each items.

The consent agenda may contain the minutes of previous meetings, appointments of Council, and any matters set on the consent agenda at agenda review (ss. 41(1). An item may be removed from the consent agenda and placed on the regular agenda by the request of a Member before noon on the Monday prior to the meeting of the Council (ss. 41(2)) or by a motion at Council with an affirmative two-thirds (2/3 rds.) vote of the Members present (ss. 41(3)); Any item removed from the consent agenda will be placed on the Agenda.

- g) For Regional Council, the Standing Committees will be the forum for public participation (s. 43). This will not change the public participation standing item at Community Councils or change public hearings at Regional Council or Community Council.
- h) Respecting which motion must first go on the floor for Council's consideration, it is proposed that if a matter before Council or a Community Council has gone to a committee that is **not** a Standing Committee, the recommendation from the staff report would go on the floor and would still need to be voted down unless no Member moves or seconds the staff recommendation. If the motion arising from the staff report fails or is not moved or seconded, an alternative motion may then be moved providing the alternative motion arises from the matter contained in the staff report. However, that alternative motion will be deferred until the next meeting unless the notice of the alternate motion has been circulated to the Clerk prior to the meeting of the Council being called to order. This deferral will allow the other members a chance to consider the alternate motion and cannot be waived (s. 59).
- i) All matters on the status sheet will be withdrawn once a new Council takes office after a municipal election (s. 76). One of the first pieces of business for the new Council will be to review the status sheet to determine which items, if any, to revive.
- j) There will be a printed agenda for Standing Committees which will be distributed no later than five days prior to the meeting (s. 114).

- k) Every Member is required to be appointed to at least two Standing Committees (s. 115). This is to ensure quorum.
- l) After arising and reporting back to the Council, a motion arising out of a matter discussed or debated at Committee of the Whole, shall be decided without amendment or debate (s. 141).
- m) A new Standing Committee, Committee of the Whole on Budget. The Terms of Reference for the new committee have been added as Schedule 4.
