Date of Council Meeting: Tuesday, July 21, 2015		
Subject: District Capital Request		
Motion for Council to Consider: "That Halifax Regional Council approve a request for \$10,000.00 from the District 3 District Capital Fund for the installation of new windows and doors at the Marine Interpretive Centre in Fisherman's Cove, Eastern Passage."		
Reason: The Marine Interpretive Centre is run by the not-for-profit group, Fishermen's Cove Development Association, on land leased to them from the Department of Natural Resources. Section 4.3 of the District Capital policy outlines that the funds are "not normally" to be used on lands owned by the Crown. Funding has been provided in the past for the beautification of the area including painting of the various buildings along Government Wharf Road.		
Outcome Sought: Approval to provide \$10,000.00 in funding to the Fisherman's Cove Development Association for installation of new windows and doors at the Marine Interpretive Centre in Fisherman's Cove, Government Wharf Road, Eastern Passage.
