Date of Council Meeting: July 21, 2015		
Subject: Request for Staff Report for Paved Shoulders on West Porters Lake Road		
Motion for Council to Consider: I request that Regional Council ask for a staff report about the possible funding partnership and identify a funding source for the street enhancement of paving the shoulders of the West Porters Lake Road to incorporate paved AT / bike lanes along this 5.5 km stretch of roadway. This has been identified in the Porter's Lake AT plan as a priority corridor.		
Reason: The provincial tender for this work is now out, and any supplementary work needs to be confirmed ASAP. The provincial government seems to be open to including this additional enhancement.		
Outcome Sought: Staff Report
