Subject: Release of HRM Easement		
Motion for Council to Consider: That Halifax Regional Council requests a staff report outlining the process to release a waterline easement impacting property at PID 383638, Terence Bay.		
Reason: The waterline easement is a burden on title for PID 38638 yet appears to serve no functional purpose since the closure of the fish plant formerly located at PID 00384834: the property at PID 00384834 is now a community park owned by HRM. The waterline easement is not currently in use and there appears to be no active intentions to use it, therefore the owner of PID 38638 is requesting the release of the easement.		
Outcome Sought: Release of the HRM Waterline Easement for property at PID 00384834 that is impacting sale of property at PID 383638, Terence Bay.
