

Proclamation

Halifax's SHINERAMA Week September 8th -12th, 2015

Whereas Cystic Fibrosis Canada (CFC) is a Canada-wide, health charity, with more than 50 volunteer chapters, whose mission is to raise monies to fund cystic fibrosis (CF) research and care.

CFC is a world leader in the fight against CF. The gene responsible for CF was identified in 1989 by a Canadian-led team of researchers supported by CFC. Canadian investigators continue to play a leading role in the worldwide race to find a cure or control for the disease.

For 51 years, Shinerama students from across Canada have been raising money and awareness for the fight against CF. Dalhousie University, Saint Mary's University and Mount Saint Vincent University will be holding Shinerama campaigns in the month of September.

Join the fight against the most common, fatal, inherited disease affecting young Canadians by supporting Saint Mary's University's Shine day on September 8th, Dalhousie University's Shine day on September 9th and Mount Saint Vincent's Shine day on September 12th.

THEREFORE, BE IT RESOLVED THAT, I, Mayor Mike Savage, on behalf of Halifax Regional Council, do hereby proclaim September 8 – 12, 2015, as "Halifax's SHINERAMA Week" and encourage all residents to support the fight against the devastating disease by participating in the Shinerama campaigns of Halifax university students.

Dated at Halifax, Nova Scotia
this 8th day of September, 2015

Original Signed

Mike Savage
Mayor
