Dear Sir,

The Councillor of District 2, grants permission for a Sea King low level flypast of an altitude as low as 500 feet for the planned Remembrance Day Ceremonies in Sheet Harbour and Oyster Pound. The flypast will occur on November 11th at 1100hrs.

In remote areas such as these, Remembrance Day Ceremonies normally do not have the opportunity for a low level flypast. This addition will greatly add to the success of these ceremonies.

Yours truly,

David Hendsbee
Councillor – District 2
