Date of Council Meeting: Tuesday, November 10, 2015		
Subject: Sidewalk - Prospect Road		
Request: That Halifax Regional Council request a staff report outlining the feasibility and process to install a sidewalk along a 0.27 mile (444 metre) portion of Prospect Road from PID#'s 00380667 to 40805129.		
Reason: This location is outside the current urban tax boundary, and therefore would fall outside of HRMs new sidewalk capital budget process. HRM is an abutting property owner at PID#40805129. There are two schools, a community centre and retail area in this vicinity that would benefit from a sidewalk.		
Outcome Sought: Staff report outlining the feasibility and process of installing a sidewalk along a portion of Prospect Road from PID #'s 00380667 to 40805129 an approximate distance of 0.27 miles or 444 metres.
