SUBJECT: Case CA0100: Street Naming and Renaming 2002-2015

ORIGIN

Please reference the in camera report presented today by Legal Services.

LEGISLATIVE AUTHORITY

Halifax Regional Municipality Charter, s.323 "The Council may ... (c) by policy, name or rename any street or private road;"

By-law C-300, *Respecting Civic Addressing*

Administrative Order 29, *Respecting HRM Civic Addressing Policies*

RECOMMENDATION

It is recommended that Halifax Regional Council adopt the proposed amendments to Administrative Order 29 Respecting HRM Civic Addressing Policies as set out in Attachment A of this report in order to ratify and confirm the street names currently in use within the Municipality.

BACKGROUND

The Halifax Regional Municipality Charter authorizes the Regional Council to name and rename any street or private road. This power must be exercised by policy. The Civic Addressing By-Law (C-300) states that Regional Council may change public street or private road names in accordance with the Civic Addressing Policies (Administrative Order 29). Until recently, staff has been approving street names on Council's behalf as enabled by the Civic Addressing By-Law (C-300) and Civic Addressing Policies (Administrative Order 29), the Charter does not support this approach.

For further background surrounding this report, please reference the in camera report presented today by Legal Services.

DISCUSSION

Since the adoption of the Civic Addressing By-law (C-300) and Civic Addressing Policies (Administrative Order 29) staff, in conjunction with the HRM Civic Addressing Public Safety Committee, has named 952 streets and renamed 344 streets (Attachment A). These street names have not previously been approved by Council. Staff is now asking Council to formally approve the names and renamings in Attachment A.

These streets were named or renamed in accordance with the Regional Council Approved Street Naming Policies, laid out in Administrative Order 29, therefore staff recommends that they be approved and added as Schedules C and D to the Civic Addressing Policies, as outlined in Attachment A. Going forward, all new street names that are approved by Council will be added to Schedule C of Administrative Order 29 and all streets that are renamed will be added to Schedule D of Administrative Order 29,

FINANCIAL IMPLICATIONS

There are minimal costs associated with the administration of the HRM's Civic Addressing By-law and Administrative Order. These costs were accommodated within the 2001-2015 operating budgets for C330-Civic Addressing. There are no incremental street signage costs related to this report, as the new streets signs have already been installed and all costs accommodated within approved budgets.

COMMUNITY ENGAGEMENT

The community engagement process is consistent with the intent of the HRM Community Engagement Strategy and was completed at the time that the streets were named or renamed. The level of community engagement was notification and/or consultation with affected property owners in accordance with the Civic Addressing By-law (Section 4(2)).

ENVIRONMENTAL IMPLICATIONS

No environmental implications were identified.

ALTERNATIVES

Council may choose not to approve some or all of these street names and renamings. This alternative is not recommended as these street names are currently in use and they meet the street naming criteria laid out in HRM's Civic Addressing Policies (Administrative Order 29).
