TO: Mayor Kelly and Members of Halifax Regional Council

SUBMITTED BY:

George McLellan, Chief Administrative Officer

Dan English, Deputy Chief Administrative Officer

DATE: September 30, 2004

SUBJECT: By-Law S-307 Amendments

ORIGIN

Staff.

RECOMMENDATION

It is recommended that :

1. Regional Council approve in principle By-Law S-307 (attached as Appendix A), amendments to By-Law S-300, Respecting Streets, and arrange for their formal adoption by Regional Council. The amendment is to replace the word "abutter" in sections 4, 6 and 10 with the word "owner", and to clearly articulate the property owners responsibilities with respect to these sections of the by-law.

BACKGROUND

The definition of “owner” and the wording in Sections 4, 6 and 10 of By-Law S-300 Respecting Streets do not clearly articulate the property owner’s responsibilities as they relate to the following:

1. removal of snow and ice from sidewalks abutting the property, and
2. for maintaining the area between the curb and sidewalk abutting the property free from garbage waste or debris.

DISCUSSION

In consultation with Legal Services, staff is recommending amendments to By-Law S-300 Streets, attached as Appendix A, to ensure that property owners have a clear understanding of their responsibilities to remove snow and ice from sidewalks abutting their property and to maintain the area between the curb and sidewalk abutting their property free from garbage waste or debris.

The proposed amendments provide the following points of clarification in Section 4, 6 and 10:

1. an owner can be notified of violations by posting an Order on the structure;
2. tenants of a property do not have to be identified in an Order so long as the Order is posted in a location on the property that can reasonably be expected to be seen by each tenant; and
3. an owner will absorb any costs incurred by the Municipality to remedy outstanding violations.

BUDGET IMPLICATIONS

This recommendation has no budget implications.

FINANCIAL MANAGEMENT POLICIES / BUSINESS PLAN

This report complies with the Municipality’s Multi-Year Financial Strategy, the approved Operating, Capital and Reserve budgets, policies and procedures regarding withdrawals from the utilization of Capital and Operating reserves, as well as any relevant legislation.

ALTERNATIVES

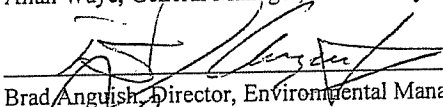

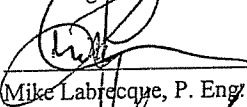

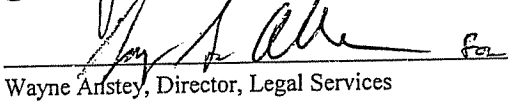

Council's options are as follows:

1. Approve the amendments attached as Appendix A, which is recommended; or
2. Not approve the amendments.

 - (3) The Municipality's cost in removing the snow and ice pursuant to subsection (2) shall constitute a lien against the property which shall be applied and enforced in the same manner as for rates and taxes under the Assessment Act.
4. Subsections 1, 2 and 3 of Section 10 of said By-law S-300 are repealed and the following subsections substituted therefore:

(4) The Municipality's cost in removing the garbage, waste or debris pursuant to subsection (3) shall constitute a lien against the property which shall be applied and enforced in the same manner as for rates and taxes under the Assessment Act.
