3 May, 2006

Mayor Peter Kelly and  
Members of Halifax Regional Municipality Council,  
PO Box 1749  
Halifax, NS  
B3J 3A5

Dear Mayor Kelly & Members of Council:

This letter is to request permission from Halifax Regional Municipality Council for the Canadian Forces Snowbirds and other participants of our air display to over fly populated areas on the days of the Nova Scotia International Air Show.

The Snowbirds will arrive on Wednesday the 6<sup>th</sup> September 2006, and will probably fly over the city. There is a possibility of an evening display over the Harbour on Friday, which will certainly provide a highlight to patrons of the downtown corps and also advertise the show. In addition the teams will do media flights on Friday morning. The Air Display itself will take place on Saturday and Sunday, 9<sup>th</sup> and 10<sup>th</sup> September between the hours of 12:00 Noon and 4:30 PM.

A requirement incumbent on the organizers of any Air Show is to secure written permission from the local civic authority, and forward it to the Demonstration Teams. I request formal authority to conduct these over flights and would be pleased to forward this written permission to the Teams.

I look forward to your favourable response.

Sincerely,

Colin Stephenson  
Executive Director  
Nova Scotia International Air Show
