Date of Council Meeting: June 27, 2006

Subject: Co-ordination with Utilities

Request:

Please include the above item on the June 27, 2006 Regional Council agenda.

Reason:

At the meeting I will be bringing up the matter of HRM construction projects being held up by utility company's delays in carrying out their portion of the work. Residents are being adversely affected by our projects being held up for considerable lengths of time and are getting frustrated with the schedule delays by the utility companies.

I will be asking for a staff report on how this matter can be resolved.

I would like this response as:

- Email to Mayor, Council and Municipal Clerk's Office
 Memo to Mayor, Council and Municipal Clerk's Office
 Recommendation Report to Community Council Regional Council
