

Councillor Request for Information

(Submitted to Municipal Clerk's Office by Noon Thursday) Date of Regional Council Meeting: February 28, 2006 Subject: Impact on HRM of Revitalization Plans for Shearwater Request: I would like to have this item on the agenda of the Regional Council Meeting to be held on Tuesday, February 28, 2006. Reason: At the meeting, I will ask that Council direct staff to make contact and request that HRM be represented at the appropriate stage of discussions related to the welcome news of a potential revitalization of the Shearwater Base. While this would have great positive impact on District 8 and indeed on all of HRM, there are implications to a number of issues that we should be included in, not the least of which is the future of the Morris-Russell Lake Master Plan and the anticipated connector from Baker to Colwell Road. I would like this response as: Email to Mayor and/or Councillor/Municipal Clerk's Office Memo to Mayor and/or Councillor/Municipal Clerk's Office Information Report to Community Council Regional Council Recommendation Report to Community Council Regional Council Regional Council Recommendation Report to Community Council Regional Council Regional Council Recommendation Report to Community Council Regional Council Regional Council Recommendation Report to Community Council Regional Council Regional Council Recommendation Council Regional Council Regi	✓ Included on Agenda	Added Item
