COUNCILLORS' OFFICE

MEMORANDUM

TO: Vi Carmichael, Municipal Clerk  
FROM: Councillor Keith Colwell, District 3  
DATE: January 30, 2002  
SUBJECT: Household Hazardous Waste

---

I would like a detailed staff report regarding the cost of operating the household hazardous waste disposal program. What is the cost of using the contractor, what services does the contractor provide and what is the cost of each of those services? I would like a review of the cost of HRM providing this service themselves.
