
COUNCILLORS' OFFICE

MEMORANDUM

TO: Vi Carmichael, Municipal Clerk

FROM: Councillor Gary Hines, District 2

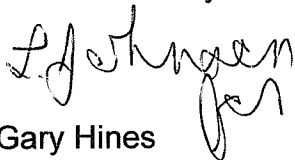

DATE: February 7, 2002

SUBJECT: Sidewalk Snow Removal - Communications to Schools in the Event of Prolonged Closure

Please place the above item on the February 12 Council agenda.

As a result of sidewalks remaining snow filled beyond our mandate, I would like to have a communications process established to allow teachers to notify parents through the students that sidewalks will not be opened for the next school day.

This will allow parents to observe safety and make arrangements for children to be delivered safely to school.

Gary Hines
