COUNCILLORS' OFFICE

MEMORANDUM

**TO:** Vi Carmichael, Municipal Clerk

**FROM:** Councillor Sue Uteck, District 13

**DATE:** February 14, 2002

**SUBJECT:** Halifax Regional School Board - French Immersion Program, L'Ecole Beaufort

---

I would like to request that the Mayor, on behalf of Council, write to the Halifax Regional School Board for clarification of the following: Why is it that the French Immersion program at L'Ecole Beaufort is considered a program and not a school? This school has existed for 24 years with 96% of the children from the catchment area as defined by the School Board. What does the School Board consider excess space? Could they please define this?
