Halifax Regional Council  
April 23, 2002

**TO:** Mayor Kelly and Members of Halifax Regional Council

**SUBMITTED BY:**

  
George McLellan, Chief Administrative Officer

**DATE:** April 15, 2002

**SUBJECT:** By-Law Number L-104, Respecting Local Improvement Charges -  
Cow Bay Road Sewer and Water

---

**ORIGIN**

HRM Council Meeting of April 9, 2002 approving the staff recommendation providing funding for the removal of first lateral charges.

**RECOMMENDATION**

It is recommended that Halifax Regional Council:

Approve, in principle, By-law L-104 and begin the formal adoption process.

**BACKGROUND**

At the April 9, 2002 meeting of Halifax Regional Council approval was granted for the funding of \$43,200 for Capital Account No. CSU00379, Eastern Passage, Cow Bay Water and Sewage from account Crespool to cover the reduction from outside funding due to a reduction in the bulk land charge and the removal of the first lateral charge levied on properties under the Cow Bay Sewer and Water Local Improvements, By-Law 101.

**DISCUSSION**

Until such time as Council approved the funding source for the reduction from outside funding, staff were unable to proceed through the process to amend the original By-Law L-101 and complete adjustments to property owner accounts. The proposed By-Law L-104 deletes all reference to the lateral charge from the main to the property line and amends the charge rate for the bulk land component to \$1,848 from \$2,100 per acre, which was approved by Council on September 25, 2001.

**BUDGET IMPLICATIONS**

There are no further budget implications. Council has approved funding of \$43,200 for Capital Account No. CSU00379, Eastern Passage, Cow Bay Water and Sewage from account Crespool on April 9, 2002.

**FINANCIAL MANAGEMENT POLICIES/BUSINESS PLAN**

This report complies with the Municipality's Multi-Year Financial Strategy, the approved Operating, Capital and Reserve budgets, policies and procedures regarding withdrawals from the utilization of Capital and Operating reserves, as well as any relevant legislation

**ALTERNATIVES**

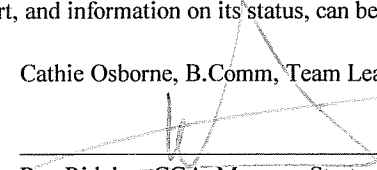

None.

**ATTACHMENTS**

- Proposed By-Law Number L-104
- By-Law Number L-101
