SUBJECT: Request for Plan Amendment Change:
Limitation of Apartment Development on Through Lots

It is my intention to place the following motion before Halifax Regional Council at its next regular session on June 18, 2002:

- 1) Instruct staff to initiate the process to amend the Halifax Municipal Planning Strategy and Land Use By-laws to have the restriction that prohibits apartment development on through lots, which currently applies only in the peninsula south end, to apply throughout the peninsula and mainland areas;
