SUBJECT: Council Agenda Item - September 10, 2002

I would like to place the following item on the Agenda of the September 10, 2002 Regional Council meeting:

"New sidewalks on Birchwood and Lansdale in District 10"

I received an email report from Public Works in response to my council motion regarding new sidewalks on Birchwood and Lansdale in District 10 and I would like to bring that report forward for discussion.

Thank you.
