SUBJECT: New Playground

INFORMATION REPORT

On September 8th, 2002 residents of District 7, Woodlawn, Dartmouth witnessed and participated in a very exciting event.

Led by Councillor Condo Sarto, and together with the Mount Edward Community Group, citizens, local sponsors, and major sponsors from HOME DEPOT and KABOOM Play Equipment, joined forces to construct a new playground at Mount Edward Elementary School, 3 Windward Avenue, Dartmouth, N.S.

This was a wonderful opportunity for citizens to come and join together (of which there were several hundred to work constructing this project). It is expected that this playground will be well used. It is a wonderful demonstration of community spirit when individuals, community groups, and sponsors join together, including input from the Advisory Committee for Persons with Disabilities.

Fittingly, the playground was named in honor of Condo Sarto for his many years of outstanding public service to Woodlawn and the Community.

The Advisory Committee would like to pass on thanks and appreciation, through your Office, to all concerned and congratulations to Councillor Sarto.
