SUBJECT **Construction and Demolition Amendment Package**
Council Meeting - September 10, 2002
Requested Amendment to MGA

INFORMATION REPORT

ORIGIN

At the meeting of Halifax Regional Council held on September 10, 2002 as part of a number of recommendations respecting Construction and Demolition Waste, Regional Council approved a recommendation that the Province be requested to amend the *Municipal Government Act* to permit extensions to the notification and appeal area for Site Plan Approval

BACKGROUND/DISCUSSION:

The requested was forwarded to the Minister of Service Nova Scotia and Municipal Relations and a response has now been received that the departmental officials have recommended to the Minister that the amendment be considered for inclusion in the MGA in the next package of amendments to the Act which will go forward to the Legislature. Given the legislative timetable of the House of Assembly, the amendment will not go forward until the fall sitting of 2003.
