

## HELP FIGHT LIVER DISEASE MARCH 2003

### PROCLAMATION

WHEREAS with over 100 different types of liver disease, an estimated one in 12 Canadians will at some point in their lives contract a liver or biliary tract disease; and

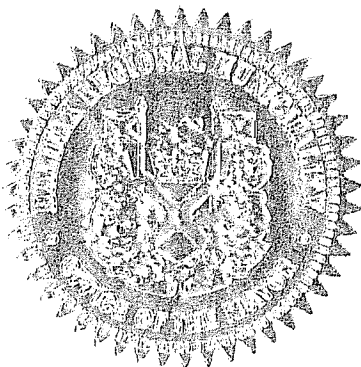

WHEREAS liver disease affects males and females, children and adults, all races and cultures and all socio-economic groups; and

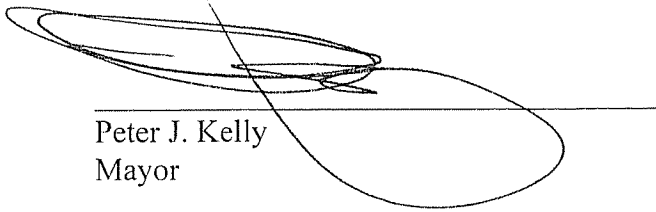

WHEREAS the Canadian Liver Foundation is a national charity with more than 30 volunteer chapters across Canada actively engaged in supporting research and education into the causes, diagnosis, prevention and treatment of liver disease; and

WHEREAS increased awareness will inevitably lead to more funding, more research and ultimately better treatments and hopefully a cure for liver disease;

THEREFORE BE IT RESOLVED, that I , Peter J. Kelly, Mayor of the Halifax Regional Municipality, do hereby designate March 2003 as "**Help Fight Liver Disease**" month in the Halifax Regional Municipality.

Dated at Halifax, Nova Scotia  
this 25<sup>th</sup> day of February, 2003.

  
Peter J. Kelly  
Mayor
