Date of Council Meeting: April 22, 2003

Subject: Malfunctioning Parking Meters

Request:

I would like to receive a report on the policy surrounding parking tickets and parking meters which are "out of order."

Reason:

I have had complaints that residents are being penalized for a lack of efficiency in parking meter repair. This is especially problematic in downtown Halifax, where parking is already at a premium. The recent area in question is in front of the YMCA on South Park.

I would like this response as:

An Information Report to Regional Council
