Date of Council Meeting: June 24, 2003

Subject: High Speed Internet Service from Aliant for District 3

Request:

I would like to have the item "High Speed Internet Service from Aliant for District 3" placed on the agenda of June 24, 2003.

Reason:

I need information from staff on exactly what areas of District 3 are covered by Aliant high speed internet service. It is my understanding that certain areas have the service while other areas do not. Recently, HRM signed a major communications package with Aliant and would like to know what Aliant is doing to properly service the areas of District 3 that are not presently serviced. The lack of this high speed internet service puts our local companies and volunteer organizations greatly at a disadvantage.

I would like this response as:
