Date of Council Meeting: August 19, 2003

Subject: Nova Scotia Power Tuft's Cove Emissions

Request:

I would like to have the Nova Scotia Power Tuft's Cove Emissions included on the agenda for August 19, 2003. I am requesting that the Mayor forward a letter to the Nova Scotia Power Corporation and the Provincial Department of Environment requesting that Nova Scotia Power Corporation burn clean fuel. I am also requesting a staff report from HRM staff with recommendations to help alleviate this problem.

Reason:

The emissions that are coming out of the stacks are hazardous to the environment and the health of neighbouring communities.

I would like this response as:

- Email to Mayor and/or Councillor/Municipal Clerk's Office
 Memo to Mayor and/or Councillor/Municipal Clerk's Office
 Information Report to Community Council Regional Council
 Recommendation Report to Community Council Regional Council
