

Councillor Request for Information

Item to be Included on Agenda of the

Halifax Regional Council Meeting on October 7, 2003

Subject: Traffic congestion coming into the Peninsula

Request:

Please have this item included on the agenda of the Halifax Regional Council meeting to be held on Tuesday, October 7, 2003.

Reason:

At the meeting, I will be asking for a staff report to consider addressing this issue immediately versus waiting for the completion of the Regional Plan.

All points onto the Peninsula are suffering heavy traffic congestion. This is causing frustrations for citizens who are traveling to and from this area, and for local residents. Although we are in the midst of a Regional Planning process, which includes a transportation plan, it seems apparent that more immediate action is necessary. There is additional loading on these access roads and with all the development underway, this cannot continue.

I would like this response as:
