SUBJECT: Moran Street Petition - Residential Parking Policy

INFORMATION REPORT

ORIGIN

Halifax Regional Municipality Council Meeting of October 7, 2003, Item 8.2.2.

BACKGROUND

At the October 7, 2003 Regional Council meeting, a petition was served by Councillor Sloane regarding the development of an on-street residential parking pass policy for Moran Street. The establishment of "Parking by Permit Only" blocks are initiated by the residents of a street through HRM's By-law P-1000 "The On-Street Parking Exemptions and Permits By-Law". Sixteen of thirty (53.3%) eligible units on Moran Street were represented in the petition.

DISCUSSION

Staff has reviewed the parking petition submitted by the residents of Moran Street.

Rather than implementing "Parking by Permit Only" on this street, staff proposes to install "2-Hr Parking, 8am-8pm" signs on the west side of the street. This would discourage both all-day and evening on-street parking by non-residents. Residents will be eligible to override this restriction with the purchase of a parking exemption at \$30/yr. Residents of Moran Street have been consulted and have agreed that this option is best suited to address the current parking issues. The narrow width of the street does not allow for two-sided parking.

BUDGET IMPLICATIONS

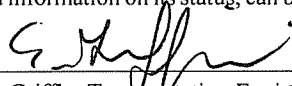

There are no budget implications.
