

Halifax Sewage Treatment Plant

Community Liaison Committee

Committee Member's Agreement

I have read the Terms of Reference * and the Effective Committee Practices ** of the Community Liaison Committee for the Halifax site, agree with them as a description of the Committee's role and as a member of the Committee commit myself to directing my efforts to these ends.

Furthermore, I promise not to undertake, while a member of the Community Liaison Committee, any independent action with respect to the Barrington and Cornwallis Streets site, the sewage treatment plant or the community liaison process.

I recognize that the length of the term will be for the duration of the Harbour Solutions project. The length of the project will be determined by the CLC members. I also recognize that I may be released at any time during the term by written resignation or at the recorded majority vote of the CLC.
